FIND CENTRAL MAN LYING ON TRACKS AT NEWBERRY JUNCTION

C. G. Weaver Dies in Williamsport Hospital After Being Hit By Stray Bullet

WILLIAMSPORT, Pa., May 17.—C. G. Weaver, 59, foreman of the terminal roundhouse of the Newberry Central at Newberry Junction, Pa., was found lying on the tracks at Newberry Junction, Pa., shot through the back of the head near the roundhouse last evening at about 8 o'clock. He died at about 10:15 o'clock in the Williamsport hospital.

Mr. Weaver had left his work and started up the track on his way to his home. He had not proceeded far when he was hit in the back of his head by a bullet from an unknown assailant. He fell unconscious to the track and was later found by Thaddeus House, a New York Central engineer of Corning. He was immediately removed to the Williamsport Hospital but all efforts to save his life proved futile.

Our Electrified Civilization

The lineman's work is done promptly and loyally whatever the season or the weather. On the hottest of summer days, on the coldest winter nights, in sleet, rain or snow he is on the job for you.

The one slogan of every electric power company is "Uninterrupted Service"—to your home or business, and to the street cars that carry you to work or recreation.

The keenest electrical minds in the public utility companies serving you, co-operating with the engineering and research departments of the manufacturers, are constantly seeking to create better devices to reduce factors of human error, and to render better electrical service. The big generators in the power house must be ever in motion. Every piece of apparatus in the long chain from Central Station to user must be in working order.

And all these things are done in order that you may always have light, power or heat by the pressing of a button or the closing of a switch.

The Light and Power Corporation serves you every minute of the day and night.

CITY WIDE CLEANUP WILL START MONDAY IN WESTERN SECTION

Extra Trucks, Teams and Men to be Put
to Work; Mayor Hahalan Appeals
For a General Observance

Next week will be clean-up week in Corning and the Board of Public Works has arranged a program for the removal of waste material and rubbish. Mayor Hahalan is designating the week of May 19 as the date for this special event and householders were urged to cooperate by cleaning up their premises.

Six trucks, and three teams will be used in picking up the rubbish and the work will start on Monday morning on the west end. Only one trip will be made over each section and all householders are urged to have their rubbish ready when the wagons call. From 20 to 25 extra men will be employed in this work and the board has asked that all men desiring to work report at the hall Monday morning at 8 o'clock.

It is expected that two or three days will be required in removing the rubbish in the first five wards after which the last seven wards will be visited. It

is expected that the trucks will not leave the latter wards before Wednesday. The householders will be given ample notice so that they can have their rubbish ready for removal.

Superintendent W. O. Drake urged that the rubbish be placed in boxes and barrels and placed in the places where possible. If this cannot be done, the rubbish can be placed along the curb in front of the houses. No ashes or stones will be removed by the city wagon.

The Board of Health is also co-operating in this clean-up and it is urged that all cats and dogs be kept under control. If possible, Mayor Hahalan pointed out that all dogs should be leashed and every one is asked to make their homes and business places as attractive as possible. It is the earnest desire of the city administration that this unusual effort this year to have the clean up the most thorough and palatable of any year.

COPS DENIED TWO DAYS OFF

Commission Menus Funds to
Hire Extra Officers to
Fill Vacancies

The police commission has rejected the petition of the department in which the officers made a request for two days off on Monday and Tuesday. The petition was first made during the administration of Mayor Quackenbush and at that time was laid on the table. It was pointed out that Mayor Hahalan and the members of the commission that the two days a month leave for the 12 men in the department would require that an extra officer be added to the force and that the funds on hand would not warrant any extra expense at this time.

FAIR DEAL PROMISED BY NEW DRY DISTRICT LEADER AT SYRACUSE

Buckland Wants Strict, Impartial Enforcement, Within the Law and in Harmony With City and County Police

"Strict, impartial enforcement, within the law and in full stand the scrutiny of the courts, city, state and county police agencies, is what I want."

"Cooperation" sought

"Further, I want it understood that I seek the cooperation of the city, county and state police, and expect to give them my cooperation. They can have all the help they want and I will expect them to help me all they can. We can get farther by working together than by pulling at cross-purposes."

"I am absolutely declining to comment on the record of the local office under his immediate predecessor. I am not going to say men that his advent is 'starting a new dawn'."

"We are going to enforce the law as strictly as we can," he said. "We are going to keep within the law."

"There will be none of this running into a place and jumping a bar and starting a search of liquor while the building is empty. That 'jump-and-run' stuff doesn't count."

CHIEF ESPEY PASSES HIS 20TH ANNIVERSARY

Chief John H. Espey, of the Elmira Fire Department, who is well known in Corning, especially to members of the fire department here, yesterday observed his 20th anniversary as head of the Elmira fire department.

He served 17 years in the department previous to his appointment as chief. Chief Espey is a member of the Corning-Corning Fire Association in addition to many other fraternal societies. He was president of the State Fire Chiefs Association in 1912 and was vice president of the International Association of Fire Chiefs, representing New York State in 1915 and also in 1919. He is well known among department heads in all parts of the United States and many of these chiefs communicated with him in an expression of their congratulations and good wishes. During his term as chief he has been in charge of more than 400 calls including fires between three and two thousand.

CHILDREN'S HOUR AT LIBRARY IS ENJOYED

Children's Hour at the library this morning was a great success. More than 400 children attended a large group from Painted Post as well as those from the school. The children enjoyed the entertainment which Miss Mary McGowan, city librarian, had arranged for them.

The little play, "Huckleberry Finn," in which several of the youngest children took part was a real treat. Miss McGowan had read two of her most charming fairy stories, "The Enchanted Palace," and a Buddhist fairy tale.

The children enjoyed this morning's program so thoroughly that it is almost certain there will be more "Children's Days" in the future.

TRIBUTE FOR CORNING FOLK

Noted Civil Engineer Much Impressed with City and Scenery

Elwood Avery, of Harrisburg, Pa., noted civil engineer, who has installed water systems in many of the big cities of the country, was here a few days in Corning and is much impressed with Corning and the beautiful scenery found in this locality. He observed the village of Bath, where he has found the citizens here to be most neighborly and friendly, more so than in many cities of the same size in other parts of the country.

Mr. Avery, who has recently completed an inventory and appraisal of the Bath Water Works, in preparation of an injunction action brought against that town by the village of Bath, where he will be tried at the equity term in Morris next week, is one of the well known engineers of the country. He specializes in water works and during the war was in charge of installing irrigation systems for the government. He has been in the employ of the United States Reclamation Service for many years.

Only a Car Built Like Oldsmobile Six

Could make such an Offer

We're putting it up to you! Name any test you care to, within reason, and we'll make it with this Oldsmobile Six!

How can we afford to make such a sweeping offer?

That's easy! Do you realize the public tests this car has already undergone?

Endurance and stamina? It traveled from New York to Los Angeles—3,674 miles—in high gear! Low, second and reverse gears were removed in New York City and transmission sealed by official witnesses!

Consider the mountains, desert sand, Missouri mud, washed-out roads, etc., which this car conquered in high gear—and you've proved its power, endurance and stamina!

Economy? It averaged 27.8 miles the gallon of gasoline for the entire 3,674 miles. That's official!

Speed? As quickly as the car arrived in Los Angeles it was driven to the Los Angeles Speedway and run at 68 miles an hour before official observers!

What else? Frankly, we've done everything we can think of to prove that this car will do everything an owner could demand of it. Can you think of anything else?

Come in, and name your test, and if it's reasonable the Oldsmobile Six at \$795 (and up) will do it! We'll be content to let the demonstration be the salesman!

TOOK TEN INNINGS TO DECIDE CONTEST IN COUNTY SERIES

Hammondsport Finally Pulls Out Victory From Painted Post Ball Team; Pope Hurls Whole Game Through

Hammondsport High defeated Painted Post yesterday in a ten inning battle by the score of 10-3. It was a tight, well played game on both sides. Hammondsport was forced to use three pitchers, relieving Niver in the fourth inning after Niver had pitched four free passes and a hit later on in the sixth Niver was relieved by Green after the latter had pitched two free passes and two hits. Pope pitched the whole ten innings for Painted Post and threw out four hits in all innings except the first when two bases on balls and two hits coupled with an error gave Hammondsport seven runs. After that he tightened up and allowed Hammondsport only three runs in the remaining nine frames. All told Hammondsport received ten hits, three runs and two errors. Painted Post hit six times safely off Niver and Green. Grimaldi pitched three batters in the fourth inning with nobody on base and was hit light of the game. Beebe's error in the third inning was the only one in the game. Grimaldi and Scott, and Jimmeron's double in the fifth scoring Carey twice. Wagoner's error in the sixth had a great deal to do with Hammondsport's victory. Painted Post hit twice safely in the third after Niver had pitched four free passes and a hit. Don't Ever Pattern After a Loser

A young man from the west climbed rapidly to banking success in New York. "How did you do it?" asked his old school teacher from back home. "By just one rule," he replied. "I never pattern after a loser. I act the way big successful men act."

Avoid the ways of the loser, ways that lead to sure failure. Instead, follow the ways that win, that lift men to power. Begin now and begin right; look successful. A few dollars invested in clothes to be worn daily (not just on holidays and Sundays) is an investment in your own welfare—an investment for success.

LIFE SAVER BODY ON DODGE CHASSIS HERE

A rare "stunt" in the design of an automobile came to town today attracting unusual attention wherever it was seen.

Automobile bodies are made in many shapes and sizes but a 36 package of candy fifteen feet long and fifty inches high, done up just about as realistically as one could imagine, and running around on rubber tires, strikes one's fancy as being somewhat spectacular.

PAINTED POST, May 17.—

The members of A. J. Carlton Post will hold their regular meeting in the Legion rooms Monday evening at which time plans for the observance of Memorial day will be completed. It is expected that the Addition Post and the Carlton Post will cooperate in the observance this year, the services being held to be held in the morning and at Addition in the afternoon.

The Rev. Charles W. Walker,

pastor of the Oakwood M. E. Church in Elmira, has been secured to give the address here. Rev. Walker is an orator of exceptional ability and the Legion men feel that they have been fortunate in securing his services for the occasion. He is formerly pastor of the St. Paul M. E. Church in Niagara Falls.

Mr. and Mrs. A. J. Carlton

of the Northside High School in Corning and a member of the debating team at that school will take part in the exercises and will recite Colonel Melles' famous poem, "The Battle of Gettysburg." The address will be given by Truman Nelson, who is also a member of the debating team of the Northside School.

An investigation has been

extended to the fraternal societies in the village to take part in the observance here. The committee in charge of the program includes, Commander John Bruce, L. D. Climbie, J. James Climbie, Howard Chamberlain and Frank Kluck.

Average Are Posted

The monthly averages of the high school students for April have been posted on the bulletin board. According to the list the new high school average for the month was a little over 75%.

In Charge of Chapel

The pupils of grade 8 took charge of chapel this week at the Painted Post High School. On Monday the pupils conducted the regular chapel program and on Friday morning they played "A Day in a Country School House."

Poster Nearly Complete

The poster staff is rapidly completing the "Poster" which is expected to go to press early next week. It will be placed on sale about June 16.

Concert Much Appreciated

The concert at the Baptist Church under the Men's Club auspices by the quartet of the First Presbyterian Church, Elmira, last evening, was greatly enjoyed and appreciated by a large audience. In the quartet was Mrs. Florence Wilder Card, formerly of this village. Besides the regular program there was a song cycle, "Fairland," the prologue of which was read by Mrs. E. A. Snyder. Miss Andrews, who was in charge of the song cycle, fully demonstrated her ability and play work was greatly appreciated. There was also a fine organ-piano duet by Floyd C. Hubbard and Mrs. S. G. Hoffman.

YOUNG MEN AND WOMEN WANTED AT MEEKER'S

Elmira Business Institute Will Train All Such for a Successful Business Career

Your Choice of Several Courses are Available—New Notes and Personal Items

Striving for Accuracy" is the slogan of the Typewriting Department. The following students qualified with less than ten errors: Anna Bloke, Velma Chapell, Georgia Nichols, Leona Morrell, Anna Mowhan, Albert Johnson, Helen Larson, Christine Keck, Robert Casbeer, Evelyn Billman, Walter Bowers, Ada Strong, Ruth Gilbert, Claudia Farrington. Particular mention should be made of Marguerite Kennen and Mildred Cradley who made only four errors; Sara Barwell and Helen Worden made three each. These results make for success and good work in the business office.

Among our student body are

several young men with a good preliminary training who are desirous of earning a part of their expenses while attending school. Beginning June first the Institute begins early sessions closing at 3:30 in the afternoon, affording an opportunity for the young men to work. We shall be pleased to communicate with any firm that feels that they can give part-time employment.

Mr. Lavern Crans of Dundee, N. Y., who recently graduated from the Junior Accounting Course has accepted a position with one of Elmira's wholesale firms.

To the business man, a place where you can secure help on your own terms. Those that will fit into your business without loss of time are a valuable asset to you. The doctor, the lawyer, the teacher, the school man all seek our service. To give the right kind of help and to place the right assistant in the place of greatest service is our desire. Give us the opportunity and time. We can render the service.

Wanted—The name and address of every young man and woman who is desirous of qualifying for a good position during the coming year. We train for the business world. We place our graduates in a position. Not only that but give them life registration in our employment department which means that they can return to the Institute at any time in the future, re-view their work and receive re-

placement free of charge. This is the Meeker idea of service.

The Management and Faculty of the Institute learn with sincere regret of the death of Mrs. Alfred Gillie, formerly Miss Leona Schmidt and a student in the Institute in 1922. We extend to the husband and family our sympathy in their sad bereavement.

Several young men with a good preliminary education are graduating from the Institute during May. A good opportunity exists for some business firms to secure good and well-qualified office assistants at this time.

The courses offered by the Institute are: Business Administration, Junior and Senior Accounting, Secretarial, Banking, Salesmanship, Civil Service, Stenographic and Office Training. Information about these courses sent upon request.
