PENN MAN TO HEAD RUTGERS

Dr. John M. Thomas Goes From One Presidency to Another

NEW BRUNSWICK, N. J., June 12.—(A. P.)—Dr. John M. Thomas, president of Penn State College today was elected president of Rutgers University to succeed Dr. W. B. Dorn, who retired in June, 1924.

Announcement that Dr. Thomas would accept the office was made at the alumni banquet after the 154th graduation exercises.

Dr. Thomas was born at Washington, N. Y., in 1856. He received his A. B. degree from Middlebury College in 1880 and his M. A. in 1892, the year of his graduation from the Union Theological Seminary. He studied at the University of Marburg, Germany, in 1892, and is the holder of honorary degrees from the University of Vermont, Jefferson Medical College, Temple University, New York University, Middlebury, Amherst and Dartmouth.

He was pastor of the East Orange (N. J.) Presbyterian church from 1892 to 1908 when he was elected president of Middlebury College which he left in 1921 to become president of Pennsylvania State University.

He was chairman of the Vermont State Board of Education from 1910 to 1914 and served as first lieutenant in the United States Army in 1915 and 1919. He is a member of the Phi Kappa Phi and Phi Beta Kappa fraternities, and the Century and University Clubs of New York and the Cosmos Club of Washington.

WARREN STONE FELT HIS END NEAR EVEN AS HE LABORED ON Chief of Locomotive Brotherhood in an Article Written Few Months Ago Said He Was Ready

CLEVELAND, June 13.—(By A. P.)—Arrangements were being completed today for the funeral of Warren Stone, 65, head of the Brotherhood of Locomotive Engineers and its trust companies, co-operative banks, office buildings and other holdings, whose resources approximate \$500,000,000.

Funeral services will be held Monday. They will be conducted on the day Oberlin College was to have honored the labor leader by conferring upon him the degree of Master of Arts.

Mr. Stone died last yesterday from a general breakdown caused by Bright's disease. Death came in a hospital where less than three months ago Mr. Stone had written an editorial for the May issue of the Brotherhood organ, in which he said he had no intention that he would die near the time he was writing it.

He was suffering from Bright's disease. He recovered sufficiently to return to his duty but was taken to the hospital again Tuesday after suffering from a severe attack of Bright's disease.

"The highest temperature that I have ever seen in a case of Bright's disease is 108.7 degrees," Mr. Stone wrote in his first editorial. "I tried to break the rec-

ord but could not, my highest being 105.5 and that for only a short time. After you pass 104 you do not know the difference; the wheels are going round, they do not stop."

"Now I had back to normal temperature and the doctor says I am coming through and that the old machine is good for years to come. I hope he is correct, because while that invincible, intangible something we call life has never meant so much to me, even at the best, yet I wait to live as long as I can be of use to my fellow men."

At the time this reaches you I shall perhaps be back in the harness again. If so, all right; I want to keep on as long as I can be useful. If not, it is all right anyway. I am waiting to live as long as I can be of use to my fellow men."

Those who have been watching the quadrangulation say that Paul De Paolo, winner of the 500 mile classic at Indianapolis on Memorial Day, stands an excellent chance to win here. The veteran Tommy Dillon also is looked upon as a potential victor.

De Paolo has shattered all records for the Altona track in the country, turning the mile and a quarter race yesterday in 24 seconds flat or at the rate of 152.5 miles an hour.

A full suite of slugs and bullets was launched at the policemen. The first volley dropped Sergeant Olson when a slug crashed through his mouth and shattered his jaw. A ball of bullets killed Walsh, killing him.

The other sergeants fell under the fire of the gangsters. Genna and his confederates started to shoot back, but were overpowered.

Sergeant William Sweeney, the fourth member of the police force, was wounded today while attempting to stop four men who were running away from the Central Savings Bank branch. Early estimates of the loss placed it at \$25,000.

CHIEF JUSTICE TAFT DISAPPOINTS YALE MEN
NEW HAVEN, Conn., June 12.—(By A. P.)—The departure of Chief Justice William Howard Taft for Murray Bay, Canada, today brought out an expression of regret from Robert N. Hutchins, secretary of Yale University, because Mr. Taft was expected to speak at the alumni dinner next Wednesday. Mr. Taft is believed to have been invited to the celebration for 25 years, and he has not declined election in the corporation after eighteen years of service.

NEW CIVIL SERVICE STATE OFFICERS NAMED AT NIAGARA CONVENTION
NIAGARA FALLS, June 12.—The New York State Civil Service Employees' Association, at its convention here today, named the following officers: President, Frank V. Hanavan, Buffalo; vice president, William J. Donohue, Binghamton; Julia C. Cully, Rome; John W. B. Smith, Albany; secretary, William J. Bradley, Brooklyn; treasurer, Ed J. O'Neil, Brooklyn.

The convention went on record as favoring the extension of civil service employment to the trial on charges before dismissal, when it was held by veterans and exempt firemen.

A resolution urging the reduction of the length of service necessary for eligibility for a state pension from 35 to 30 years and one favoring the reduction of the retirement age from 60 to 55 years was adopted.

Retired Circus Performer's Body Cremated With Dog Which Shared Her Life

ALHAMBRA, Calif., June 12.—(A. P.)—The bodies of Myrtle Hoss, a retired circus performer, and of "Snowball," a French poodle, twinmates in a high wire act of two decades ago, were cremated together near here yesterday.

"Snowball" was chroniformed and his ashes mingled with those of his mistress in compliance with a request made by her.

NEW RECORDS MAY BE RESULT AT ALTOONA
ALTOONA, Pa., June 12.—(A. P.)—If performance in the qualifying trials for the Altona track, a new record for the Altona track is likely to be set in the 240 mile automobile race this afternoon. Eighteen drivers, among them the most prominent pilots in the country, are expected to start.

Those who have been watching the quadrangulation say that Paul De Paolo, winner of the 500 mile classic at Indianapolis on Memorial Day, stands an excellent chance to win here. The veteran Tommy Dillon also is looked upon as a potential victor.

THREE KILLED IN GANGSTERS' STREET BATTLE

One Chicago Patrolman Shoots and Captures Gang After His Comrades are Shot

CHICAGO, June 12.—(A. P.)—Gangsters and police shot out today at close quarters in a revolver battle resulting in the death of three patrolmen, and of John Genna, one of the attacking gang, and the wounding of a third, policeman and Genna's two companions.

Genna is believed to have been a brother of Angelo Genna, gangster recently assassinated. The killings are believed to have been a result of a dispute over a territory.

The police captured a gangster, a brother of Genna, who was shot in the back of the head. The police also captured a gangster, a brother of Genna, who was shot in the back of the head.

EXTREME CRUELTIES IMPOSED FOLLOWING SURRENDER OF CITY

Defending Yunnanese Beaten With Bamboo Rods After Treachery Leads to Capture by Bolshevik Officers—Innocent Residents of City Slain and Tortured Along With Soldiers

CANTON, June 12.—(A. P.)—The attacking Kuangtung and Cantonese forces under Bolshevik officers, after a fierce attack on the defending Yunnanese forces today, forced them to surrender Canton and today imposed extreme cruelties on soldiers and civilian population as well.

The attacking forces landed 2,000 soldiers at Tungshan and from that point they attacked, leaving the defending forces without transport facilities and therefore unable to launch a counter-attack.

The Kuangtung forces gave the surrendering forces no consideration although the defeated troops had voluntarily given up their arms.

The winning force then began looting the city. This was extended to homes of non-combatant citizens.

Revolting scenes followed, many of which were witnessed by Europeans from the foreign quarter. Innocent people were stoned and beaten by mobs.

Bodies of slain innocent bystanders are strewn along the roads.

The surrendering Yunnanese troops in the city were beaten to death by the Kuangtung forces. From Shamsen, the forces of Kuangtung saw a considerable number of soldiers being driven by the river after witnessing the killing of his comrades.

The winning forces then shot defeated troops or threw them into the river after beating them with bamboo staves and rifles.

The principal cause of the defeat of the Yunnanese was the treachery in the ranks of the Kuangtung forces, who quit for a cash consideration.

Considerable damage was done to buildings owing to heavy gunfire. The most revolting scenes were caused by the Kuangtung forces.

The defeated army leaders were driven out of the city.

The Chinese now requested the British legation to notify all British consulates to take measures to prevent recurrence of incidents such as took place at Hankow. In referring to the seriousness of the situation and the need for a demand compensation later.

UNIQUE ROAD IS DEDICATED THREE KILLED BY LIGHTNING

WENDOVER, Utah, June 12.—(A. P.)—From the viewpoint of engineering, the forty-one mile road between Wendover and Panguitch, Utah, is unique in the history of road building. Secretaries of Agriculture, William M. Jardine declared here today that the road was the most unique of the new.

The completion of the road opens the way for transcontinental and interstate travel between Utah through northern Nevada and southern and central California, and brings to a successful conclusion a five year effort to build a road free of obstacles of the salt desert.

Coolidge May Have Quieted Shipping Row

Recent "Suggestion" That Authority be Transferred Helps Toward Peace

BY DAVID LAWRENCE

WASHINGTON, June 12.—The President's suggestion that the Emergency Fleet Corporation be placed under the authority of the Shipping Board, instead of the War Department, has been received with relief by the shipping industry. The suggestion, which was made in a letter to the President by the Emergency Fleet Corporation, is believed to be the first step toward a settlement of the long-standing dispute between the two bodies over the control of the fleet.

Women Delegates Indignant at "No Smoking" Reports

BUFFALO, June 12.—(AP)—Women delegates and guests at the state convention of the Commercial Travelers, being held here, were incensed over published reports that there had been no smoking at a "woman's smoker" in the Hotel Niagara.

Declaring that she had never read anything "so outrageous" as the reports, one of the members of the women's smoker committee declared that Friday morning, when the huge success, "with cigars on nearly every table and nearly everybody smoking all day."

FAMILY JUST ESCAPE FROM HORNELL FIRE

HORNELL, June 12.—Both Mr. and Mrs. B. J. Johnson of this city narrowly escaped death tonight when the home in which they were sleeping was completely destroyed by a fire which broke out at 9:30 Washington street.

The fire was in the house at the time and knew nothing of the fire until aroused by two men who happened to be passing and discovered the building was on fire. Mr. Johnson, who weighs nearly 350 pounds and measures 56 inches around the waist, has been seriously ill with rheumatism for some time and had to be carried down the hallway which was already in flames. He was taken to the hospital.

The origin of the fire has not been discovered but apparently started on the first floor.

According to the men who discovered it both Mr. and Mrs. Johnson would have been trapped in ten minutes more. The loss is partly covered by insurance.

CROW CAUSES BIG FIRE LOSS

MILAN, Pa., June 12.—An ordinary crow perched on the high chimney of the Birmingham Lignite, Heat & Power Company formed the conductor to a nearby telephone wire on a telephone pole a mile below Milan which resulted in the fall of the wire. The wire, which had been strung over two buildings, partly destroyed another and started a dozen independent fires in several homes where there are telephones. The high tension wire also turned the power to charge all the fences in the neighborhood when it fell across one fence, with the result that three, partly destroyed, and a fourth, which had been built by William Prunty, were killed by shock.

National Guard Unit for Corning is Practically Assured

ADJOURN FOGLE CASE IN COURT TO JULY 3

William E. Fogle of this city, who was arrested on March 29 on charges of driving while intoxicated, was given another adjournment today in City Court when his case was called for trial. Attorney H. A. Pennington appeared for the defendant and requested that the case be set over until July 3, which was granted. The trial has been adjourned several times since the arraignment of the defendant in March. City Attorney Farris appeared for the prosecution.

Mr. Fogle caused some excitement late last night when he called for a policeman from the window of his office on West Market street. Later he communicated with the police by telephone and stated that a woman had robbed him of \$1250.

DR. H. E. AURINGER IN RECEIPT OF WORD OF A MEDICAL COMPANY

Announcement Comes Too Late to Re- cruit Men for Training Camp; Physi- cian to Be Sworn in as Officer

Corning has been practically assured that this city will have a National Guard Unit, the official announcement being received today by Dr. H. E. Auringer, from Colonel Lucien Falsbury, commander of the 162nd Medical Regiment of the New York state guard unit.

This announcement came too late, however, for Corning to prepare a company to go to the training camp at Peekskill but Dr. Auringer has been assured that some men can be secured who will go to Peekskill that at least a part of the expenses will be paid. Dr. Auringer is now making an effort to secure at least 25 men to go to camp next week as he points out the training they will receive will greatly expedite the forming of a company here later. Any one desirous of attending the camp for the next 15 days should communicate immediately with Dr. Auringer.

The movement for a National Guard Unit in Corning was started several months ago and received the support of the Chamber of Commerce, Dr. Auringer, who is a major in the U. S. reserve force, was one of those most active in

Graves, of Lancaster. The ceremony was performed by Dr. E. J. Granger in the presence of a few relatives of both families. The wedding music was played by Walter Kauffmann.

The home was attractively decorated to carry out a color scheme of white and roses and flowers were placed profusely throughout the home.

Following the ceremony an informal reception was held and a wedding luncheon was served.

The bride is one of the city's most charming young women. She is a graduate of Ithaca High School with the class of 1917 and from Cornell University in 1921. She is the daughter of Bachelor of Arts. She taught for three years.

Mr. Graves is a graduate of the high school at Sardinia. During the war he served overseas in the 24th Infantry, 77th division. A. E. H. At the present time he holds a responsible position with the firm Myers and Meyers, contractors.

Mr. and Mrs. Graves left this morning for Lancaster where they will reside in their newly furnished home at 16 Broadway.

Your Car Asks Only One Favor

Your car doesn't ask favors of the road—and no favors of any other car that it meets or passes. It asks no favors of any kind, except this:

OIL AS GOOD AS THE CAR

You owe it to your car to use oil of quality. You owe it to yourself to be satisfied with the oil that you use. Try TEXACO in your crankcase today and notice the difference in the performance of your car. TEXACO oil—clean, clear and golden—is the logical oil for your car. It has no hardening-forming tendencies and contains no animal oils or vegetable oils or soaps. Do your car a favor and use TEXACO.

DRIVER DRUNK IS FINED \$100

Benjamin F. Brockway Also
Have License to Drive
Revoked by Judge

Benjamin F. Brockway, 30, of North Hamilton street, Corning was fined \$100 and had his operator's license revoked in City Court this morning when he pleaded guilty to a charge of driving an automobile while intoxicated. Brockway was without funds and was given a year to pay the fine, being ordered to report weekly to the probation officer.

Brockway was arrested following a complaint from D. L. Cole of Painted Post that the man had run into the Cole car near the corner of Bridge and Front streets.

NO APPEARANCE TODAY AGAINST EDSON B. WOOD

Edson B. Wood of this city, who was arrested some time ago on a charge of outraging public decency, was discharged from custody in City Court this morning when there was no appearance for the prosecution at a return date of the case. Attorney Claude V. Stowell appeared for the defendant.

Wood was arrested on complaint of his wife when it was alleged he was found in the apartment of Mrs. Jessie Harris, on West Market street. Mrs. Harris was also arrested on a similar charge but her case is still pending.

FLAG DAY TO BE OBSERVED

Parade to Move at 2:30
o'clock from Elk's Club;
Program at Park

Corning tomorrow, Sunday June 14, will honor the American flag in a fitting program arranged for the observance of Flag Day under the auspices of Corning Lodge of Elks.

Members of the various fraternal orders, Boy Scouts and school children will assemble at the Elks' Club on Walnut street at 2:30 o'clock where the parade has been planned and all participants will be asked to fall in line without regard to individual organizations or clubs.

The parade will be led by Thomas Hillman, one of the city's prominent Boy Scouts who will direct the route through East First street to Denison Park where the exercises will be held in the bandstand.

John J. Wheeler will be in charge of the exercises. The composition will be given by the Rev. A. F. Thompson, pastor of St. Vincent de Paul's Church. This will be followed by the flag raising by the Boy Scouts and the "Star Spangled Banner" by Corning's Glee Club. Judge J. V. Purcell will give the history of the flag and Guy W. Cheney the tribute. Mayor James P. Hallahan will lead the pledge of Allegiance. The band will then play "America" and Benediction will be given by the Rev. Dr. E. J. Granger, pastor of the First Presbyterian Church.

The committee in charge of the observance is confident that it will be one of the largest of its kind ever held in the city and has been secured of cooperation from organizations in paying public tribute to the flag of the nation.

Entirely New Kind of Motor Car Travel

Changing our Transportation Habits

We predict that within a month after we have delivered your Chrysler Six all your ideas of travel will be changed—revolutionized.

Instead of traveling by train, nine times out of ten you'll travel in your Chrysler Six.

We predict that your Chrysler Six will change your ideas and habits of travel because it has already done so with thousands of owners.

All this is just what might have been expected when you consider the nature of the results which only the Chrysler Six delivers.

You have command of a high-speed range of from 2 to better than 70 miles an hour. Few would care to let the car out to its limit.

You don't need this highest speed to make any journey in better time than other cars. Drive at an average of 35 miles and still you'll have time over others because the Chrysler Six is so easy to handle, so quick and in control. It is always first out of traffic.

Roadability is one of the Chrysler's most remarkable features. It clings to all roads as though it really weighed as much as two tons.

You'll drive in town or country all day without fatigue because of its easier riding qualities which efficient Watson stabilizers have made still more remarkable by the elimination of rebound shock on even the roughest highways.

You'll drive always with the greatest possible safety because Chrysler-Lock has self-equalizing hydraulic four-wheel brakes give you perfect control.

You'll find yourself freed of motor worries by the Purolator, which automatically and continuously filters all dirt out of the oil in your crank-case as you drive by the efficient air cleaner which keeps all dust and dirt out of your carburetor and engine.

We make one more prediction. After you have once had a ride in this car you'll always think of better transportation in terms of Chrysler Six. That ride is waiting your convenience.
