### 'Super-realists' Stage Interesting Banquet With Flying Crockery

PARIS, July 2.—(A. P.)—A banquet of "super-realists" held in the famous restaurant "Les Deux Magasins" in the Montparnasse quarter last night was broken up by a statement by Rachilde (Mme. Vallette), dean of French women novelists. Rachilde replied in the negative to a newspaper query whether French men ought to marry German women.

The crockery was the principal subject in the restaurant combat, but the sounds of the strife drowned the voices of the novelists and the police were summoned to clear the building. Cheers for Germany were heard during the operation.

### FAITH IN GOD BASE OF NATION BISHOP HOLDS

Head of Episcopal Diocese of Massachusetts Recalls Virtues of Pilgrims

CAMBRIDGE, Mass., July 2.—(AP) Bishop William Lawrence of the Episcopal diocese of Massachusetts, speaking at Christ church here today at the 150th anniversary celebration of Washington's assuming command of the Continental Army, declared that the first note of the "American Revolution" was the "faith in God" which was the basis of the nation.

"It would be to them to claim that they were all saints or that their motives were purely religious," he said. "The fact, however, that at the foundations of their character was faith in God, and that the first note of the 'American Revolution' was the 'faith in God' which was the basis of the nation."

"As we now contemplate the civilized world and its principles of religion, faith in God, we are struck by the fact that the nation's liberties were won by men and women who were men and women of faith in God."

### MRS. COOLIDGE NEARLY HIT BY FLYING TRAFFIC POLICE OFFICER ON PUBLIC ROAD

SWAMPSCOTT, Mass., July 2.—(A. P.)—Mrs. Coolidge barely escaped being run down by a motorcycle this morning during a walk about Swampscott, a leap to the side of the road saving her.

Slightly shaken by the incident, Mrs. Coolidge continued home.

Mrs. Coolidge is in the habit of walking about the vicinity in the morning and in this particular place she is forced to use the sidewalk. At the head of this road an officer stationed, John Bryson, who was there this morning, said he attempted to signal the motorcycle to stop.

To obtain a short cut to a determination of the constitutionality of the measure, and to remove the case from the court, the attorney for the defense, Mr. Darrow, announced today that he would file a motion for a temporary injunction against the enforcement of the Tennessee law prohibiting the teaching of evolution in the public schools.

Two major considerations are involved in the proposed step. The first is a determination of the constitutionality of the measure, and to remove the case from the court, the attorney for the defense, Mr. Darrow, announced today that he would file a motion for a temporary injunction against the enforcement of the Tennessee law prohibiting the teaching of evolution in the public schools.

### SANTA BARBARA AGAIN SHAKEN BY QUAKE BUT DAMAGE ONLY MINOR

Stricken City as Well as Pasadena and Los Angeles Feel New Tremors During Day But Hasty Survey Reveals Further Losses Not Extensive

SANTA BARBARA, Calif., July 2.—(A. P.)—Another shock occurred here at 10:12 a. m. It was less violent than the earlier one and lasted only two seconds.

The vibration, consisting of two shocks, appeared to be from east to west and swayed the buildings perhaps more severely than any of the shocks following the major disturbance of last Monday morning. No far reported, no damage resulted. Occupants of buildings rushed into the open for safety.

LOS ANGELES, Calif., July 2.—(A. P.)—An earth tremor of fair intensity was felt here at about 10:22 a. m.

SANTA BARBARA, Calif., July 2.—(A. P.)—A sharp earthquake shock occurred here at 8:50 o'clock this morning and lasted about five seconds. The vibrations loosened a few bricks and widened the cracks in some of the shattered walls. A few wrecked chimneys toppled to the ground but no other damage resulted.

Reporters of the Santa Barbara News made a hasty survey of the city and found only minor damage. The towers of the old mission church were shaken but did not collapse. The walls were cracked a little more, but the old structure still stands as it did during the heavy quake of Monday.

St. Anthony's College and the St. Francis hospital which were badly wrecked in last Monday's earthquake, suffered little additional damage. Both are still standing. In one or two places plumbing was wrecked and broken but the power lines and gas pipes that had been repaired were not disturbed.

Investigation shows that earthquake reports regarding damage to the H. J. K. Billings home were exaggerated considerably. The home was shaken but did not collapse. Considerable plaster on the structure was cracked, but police reports declare the damage is not serious.

Bricks fell along State street where workmen are clearing away debris.

PASADENA, Calif., July 2.—A slight earthquake occurred here at 8:18 a. m. The movement was apparently north and south.

SANTA BARBARA, Calif., July 2.—(A. P.)—Santa Barbara citizens today went about their business as usual, but from all points in California, the chairmanship of C. B. Marx, head of Stanford University's engineering school, planned to continue his inspection work, passing upon the structure of a new college building.

Pine motor buses were expected from Los Angeles today to take the place of the street cars until the power plant of the street car company can be repaired.

Having estimated the actual damage to the business section at \$100,000, the city engineers today estimated that the damage to the city was \$1,000,000.

Five motor buses were expected from Los Angeles today to take the place of the street cars until the power plant of the street car company can be repaired.

## Choice White Leghorn Lays Two Eggs at Once

MOHAWIA, July 3.—Production of one egg is considered a day's work by any hen. A white Leghorn belonging to Mrs. Charles Sobers of Grouton has never shirked her duty. In fact, she has been as methodical as day and night, producing her day's quota and receiving her ration in return. Recently she accomplished what scientific poultrymen have been trying to make hens do for a number of years—produce more than one egg a day. The credit white Leghorn laid what appeared to be an ordinary double yolk egg, but when broken was found to contain two complete eggs, one inside of the other.

## NUMBER OF ATTENDANTS REDUCED AT BATH HOME

RATH, July 3.—Editorial Wednesday the staff of attendants and nurses at the State Soldiers' Home was reduced by the dismissal of one nurse and nine attendants. The reason for this reduction is that the membership of the Home, by the mounting deaths among the aged veterans of the Home has been reduced from around 2,000 men some 14 years ago, to about 225 today. In the interests of economy, in the Home administration, the reduction of the hospital staff was deemed advisable.

## Watch Lost Eighteen Years Ago Found Near Mansfield

MANSHFIELD, Pa., July 3.—Eighteen years ago Mrs. Charles Johnson, who lived at Mansfield, gave her watch to her husband to take to Mansfield for repairs. On the way Mr. Johnson stopped along the road to pick berries and lost the watch, which could not be found.

## KELLY FREE FOLLOWING AUTO CRASH

HORNELL, July 3.—The 19-year-old Charles N. Keefe, 25 years old, who was killed in an automobile accident on the Danville road Thursday morning will be freed Saturday.

The authorities completed their investigation of the affair yesterday afternoon at which time they found that Kelly, who was in the car with Keefe at the time, and who had been detained was released. The investigation disclosed the fact that the two young men were returning home.

They were riding in a car when Kelly was driving when suddenly it swerved from the road, skidded on the wet earth and rolled over landing right side up. Keefe was thrown out by Kelly's momentum. Kelly, Keefe's friend, was climbing out of the car and looking for him in the wreckage after which he himself jumped into unconsciousness.

## Vicinity Weddings

HUMPHREYS-SERVIS.—DENDEE, July 3.—A very pretty wedding took place Tuesday afternoon when Miss Grace Lillian Humphreys, daughter of Rev. George Henry Servis of Fredericksburg, Va. The ceremony was performed at the home of the bride's parents, Mr. and Mrs. John B. Humphreys of Lakewood, Rev. Arthur Humphreys, uncle of the bride, performed the ceremony, assisted by the Rev. G. G. Conbar in the presence of about 30 guests. The bride wore a gown of white, Georgette crepe trimmed with white lace and a tulle veil fastened with a large diamond, and carried a shower bouquet of white roses and lilies of the valley. She was attended by her sister, who wore blue velvet gown over pink satin and carried pink roses. The groom was attended by Valious Curtis of Calcon. The wedding march was played by Mrs. Baldwin. The house decorations were pink and green. Following the ceremony a reception was held and dinner was served to the guests after which the young couple left for their home at the Great Lakes. They were guests present from Cleveland, Ohio; Rochester, Syracuse, Stanley, Nimrod and Lakewood, Ind.

## EAGLE TRIES TO TAKE BABE

Farmer Shoots Bird Near Fort Plain as it Alights Near Carriage

PORT PLAIN, July 3.—(A. P.)—Floyd Smith, a farmer of Salisbury, near here, used his shotgun to rout an eagle which alighted in a tree near which his baby was enjoying an afternoon nap. The wounded bird later was found in the woods by a group of boys who killed it. The wing spread measured eight feet. Mrs. Smith said the eagle was swooping down on the baby and was only a few feet from the carriage when her husband shot it.

## HAMMONDSFORD FROZEN WELL WATER IS PURE

HAMMONDSFORD, July 3.—An analysis of the wonderful water from the frozen well at the lake park has been returned from Dr. E. E. Elwood, director of the Steuben County Hygienic Laboratory. The analysis showed no evidence whatever of germs, bacteria or anything which would render it unfit for drinking purposes. No bacteria were found in the water. The well continues to attract wide-spread attention, due to the coldness of the water. Since the analysis shows the water to be good there will be more than ever of it used.

## NEW CONTRACT FOR AIRSHIPS

Hammondsport Company Receives Another Order from U. S. Air Service

HAMMONDSPORT, July 3.—Airships, Incorporated, of this village has just been awarded an order-contract by the U. S. Air Service for inflation equipment for airships. This equipment is of a new design recently developed and is used at the barracks for the rapid inflation of airships and balloons. It is designated particularly for the conservation of helium.

The contract, with the many contracts already awarded to Airships, Incorporated, is assurance that the shops will be very busy places for some time to come. At present orders are being rushed through for both Army and Navy Air Service and new gas cells for the U. S. S. Shenandoah will soon be delivered. The Navy department advises that the Shenandoah is to do a great deal of work this summer. Several island cruises have been planned.

## 12 YEAR ATTENDANCE RECORD GIVEN AT ROME

ROME, July 3.—Gold medals have been awarded Gladys Starbuck, 17, sister of David L. Home Free Academy juniors, who have the record of 12 years school attendance without ever being absent or tardy. Miss Starbuck is a daughter of Mr. and Mrs. W. H. Starbuck, Jr., of 123 East Pine street, and Mr. and Mrs. P. L. Dwyer, 167 West Liberty street, are the parents of Stuart Davis. Each has received 11 other similar certificates, four of them purple seals.

In all the calendar of American holidays, no day holds greater significance for celebration, the true indulgence in recreation and festivity than the Fourth of July.

Give your spirits, your patriotism and your enthusiasm full play.

But have a thought for your safety. When you are driving your car tomorrow, keep in mind that practically every car in the country will be in motion at some time during the day. Good drivers, poor drivers, reckless drivers will be out. Be careful. Don't you get hurt.

And be prepared for any contingency, with the right kind of insurance. There will probably be more accidents tomorrow than on any other day in the year. Tomorrow, you need insurance most.

## PIRATES AGAIN TOP NATIONALS

Idleness of Giants Due to Rain.  
Allows Pittsburgh to Regain Lead

NEW YORK, July 3.—(A. P.)—The Pirates today are leading the National League again. Rain for the second time this week has enabled them to pass the Giants.

Shoers kept New York bats idle in Philadelphia yesterday while the Phillies beat the Reds, 2 to 1. The Pirates runs were made in the sixth on a sacrifice, a triple and a sacrifice. The Phillies and Giants will play off the postponed game, September.

The world champions battered their lead to one game by annexing a doubleheader from the Red Sox, 11 and 11. Philadelphia's catcher, E. Hornor Boston performer, contributed a home run in the tenth inning with a run on the bat to decide the first contest.

Troubles fall asleep in the "Jungle" camp. Before the start of the game, Walli Pitt, veteran first baseman, was knocked unconscious when hit on the side of the head by a ball thrown by Charley Caldwell, ex-Braves pitcher, in beating practice. At a hospital an X-ray revealed brain concussion.

The Cardinals and Braves will play a double bill, St. Louis finishing the game with a 6 to 3 victory in a resounding fast curve. The Yankees lost, 6 to 3, despite Babe Ruth's anemic walk-off hit in the ninth.

Before the contest, several school boys were bruised when trampled on in a rush for the Yankee stadium gates.

The Robins defeated the Braves 22 hits and won, 20 to 7. Ten runs were scored in the opening inning. Ruth knocked out the runner, who was on first, by hitting the batter, Bill Vane, Boston College recruit, fourth batter and he was retired.

Quibbled the pedestal to "Ace" Edwards, former Dartmouth hurler. The Cardinals and Braves will play a double bill, St. Louis finishing the game with a 6 to 3 victory in a resounding fast curve. The Yankees lost, 6 to 3, despite Babe Ruth's anemic walk-off hit in the ninth.

Bill Hargrave, fourth of the Senators, drove out two home runs, one with the bases crowded while the Browns trimmed the White Sox.

ADDISON HIGH TOPIA PLANT  
New Club Organized by Former School Stars Schedules Game for Weekend

ADDISON, July 3.—The newly organized Addison baseball team composed of the pick of the High School team, which made an excellent record during the past season, strengthened by a number of well known Addison players, will play their first game of the season on the afternoon of July 4th, on the Addison grounds, meeting the Park, Winston & Treas.

The factory team is playing good fast ball now and the new team will have its work cut out for them. Among the old timers who will be seen in action for the first time in several years on Saturday will be Mat Whitmore, Charles Edwards, John M. O'Keefe, Ferris Hallett, Claude Wilcox, Pete Orr and others. The team is planning to represent the town on the diamond for the balance of the season and will be out to win the first game. The game will be called at 3 P. M. and the admission will be 25 cents.

## Church League Schedule Has Reached Conclusion, Today's Game Ending the "Season"

On May 26th the Crystal City Church League was organized at the Crystal City Church. Cary was elected president, who, together with the manager, and a board of managers for the league.

The purpose of the league was outlined as threefold: 1.—The developing of clean, healthful outdoor recreation for members of the various churches of the city. 2.—The fostering of the spirit of "Sport for Sport's sake." 3.—The supporting of the movement for more and better playgrounds in the city.

The season was to continue from June 1st to July 31st. The last of the season was to be played on July 31st. The league was to be organized, therefore, the season was to be played on July 31st.

AMERICAN EAGLES TEAM LOSE TO SILVER STARS  
Yesterday the Eagles lost to the Stars by a score of 19 to 18. Keegan went into the box in the fifth inning in place of Gerhart. The score was tied 12 to 12. The last of the eighth ended with the score 18 to 16 in favor of the Stars. Loewen doubled into center, Gerhart hit into the outfield and the Stars won the game.

St. Mary's Church League has reorganizing for the Fourth of July games. It was unable to put a team on the field against the Methodists last night so that the latter is credited with a win of 9-0.

Tonight the Baptist and Methodist churches played a game at the Crystal City Church. The game was a close one, but the Baptist won by a score of 10 to 9.

SWING FIRST CONSIDERATION IN GOLF  
The swing is every thing in golf. Hitting the ball is of secondary consideration. This may seem strange to the average player who focuses his mind and his eye on the ball and nine times out of ten forgets to make the proper swing.

Experts know the importance of a well grooved swing. Many stars have insisted that they never need to worry about keeping the eye on the ball as long as the swing is perfect.

The right kind of a swing will get results where everything else fails. With the correct foot action, the right hip and shoulder motion and perfect timing the shot is bound to be a good one. Golfers can even hit a ball blindfolded in this manner.

## CLASSIC BATTLES BY GREB, WILLS, SHADE BRING THEM VICTORY

Mickey Walker Makes Desperate Effort to Knock Middleweight Crown From Head of Handsome Greb

NEW YORK, July 3.—(A. P.) Greb, recovering, went back at his opponent. A crowd of 65,000 was electrified by the spectacle of two champions boxing each other. Thus the final bell found them—Greb majestic in a clever and elusive victory over a foe he outweighed at 155 by seven pounds. Walker great in an exhibition of fighting which cost him none of his prestige as a champion welterweight.

Absorb Much Punishment. Both men proved that they could absorb punishment. Greb's attack was met by terrific blows to the stomach, but he never flinched. Walker stood up under Greb's sniping fire at short range until the fourteenth.

Wills, who has for several years perched gallantly on Jack Dempsey's doorstep, has muscles that are still limber and strong. At 215 pounds, he had a 38 1/2-pound weight advantage on Weener. Wills quickly put Weener on the defensive in the first round, and then finished him after one minute and forty-five seconds of the second. Perhaps Jack Kearns took note of it as he snaked into the fight from which the state attention barred him because he would not match Wills and Dempsey.

Walker's Game Effort. For thirteen rounds of a bruising mill with Walker, Greb fought at close quarters. Then he cut loose. Coming out of his corner in the fourteenth with a terrific right, he spun the challenger around with a blow to the jaw. Another right found the same mark as Walker went to the ropes and for the first time since he became champion of the 147 pounders, the Elizabeth N. J. boy was started and staggered.

Greb leaped upon Walker and drove him from rope to rope. The challenger, his face bleeding, broke through from steady poundings, strove to protect himself; and then, in one final effort, he leaped out with right and left at the as he landed the

# BURGLARS GET \$50 IN CASH

Believe Key was Used to Get Into Establishment of Frank Avagliano

The shoe shine establishment conducted by Frank Avagliano, at 15 West Market street, was burglarized some time last night, and \$50 taken from the cash register. According to the police who are now investigating the affair it is believed that the burglar is an inside job and that admittance was gained to the place by the use of a key.

Avagliano had not been in the habit of leaving any money in the place, \$5 being the most ever left in the cash register over night on any previous occasion. Last night, however, \$50 was left in the register and when he opened this morning found that it was missing.

The police were immediately notified and Acting Detective William Morse was assigned to the investigation. It was believed at first that an entrance had been gained to the store by the fire escape door was found unlocked. After further investigation, however, it was believed by the police that an entrance had been gained through the front door by the use of a duplicate key.

# IMPORTANT MEETING OF COUNCIL WILL BE HELD MONDAY NIGHT

Proposed Soft Drink Ordinance and New Milk Law Expected to be Brought Up for Final Disposition

The regular monthly meeting of Common Council scheduled for Monday night promises to be one of the most important sessions of the year. Mayor Hallahan stated today that he would be ready by Monday night to name a police commissioner in place of N. R. Wickham who resigned several weeks ago.

The proposed soft drink ordinance on which a committee was named by Mayor Hallahan some time ago has completed its work and it is expected that the committee will make a report Monday night and that action will be taken on the adoption of the ordinance.

# DR. W. E. FOGLE IS DISCHARGED

Found Not Guilty of Charge of Driving Automobile While Intoxicated

Dr. William E. Fogle, osteopath, who was arrested on March 25 on a charge of driving while intoxicated, was found not guilty in City Court this morning following a trial held before City Judge John C. Develin.

The trial consumed the entire morning and was not completed until nearly 6 o'clock this afternoon. Many witnesses being sworn by both sides. Attorney Frank H. Fogel, who according to testimony and Attorney H. A. Henningson for the defendant, Fogel.

According to other facts, the defendant in attempting to make a turn from Pine street to a street on Market street on the afternoon of March 25, had a narrow escape from running into the fire alarm box on the corner. The officer, who was doing traffic duty, stopped the car and placed him under arrest. Considerable testimony was introduced by the defense in an effort to show that the defendant was not intoxicated at the time he was arrested.

# WOODCUTTER FINDS Rich Treasure On Gothland Island

John Nyberg, a Swedish forester, recently unearthed rich treasure of Roman coins on the island of Gothland. There have been many other instances of farmers finding hidden hoards of gold in this distant land.

That's interesting, but Gothland is far, far away—and besides, someone finds a treasure here at home every time one of our used cars is purchased.

# CAMP GORTON OPENS SOON

Advance Patrol of Scouts at Work Preparing for Annual Summer Encampment  
In an interview today, Mr. P. C. Collette, of the Corning branch of the St. Louis County Boy Scout Council, announced that the advance patrol of scouts, Raymond Mapes, Robert Wickham, Alvin Gierber, Henry Sikko and Kenneth Barrett, under the direction of Scout Executive P. L. Dunn and Camp Director E. J. Barber, have been putting the camp in order.

The layout of the camp has been somewhat changed and the ground is a bit more improved. The first all-time camp which one of the camp from the highway shows the smallest registration tents in an oval shape at the end of the field. The camp is flanked on the south boundary by the officers' tents, the first aid and first aiders' headquarters.

The capacity for each week is limited to 75 boys and 10 leaders. The camp is well equipped and the camp will run on tent capacity for practically every week.
