CORNING YOUTH JOINS CLASSES AT MEEKER'S

John P. Howe, One of Five to Start at "School Worth While"

ELMIRA, N. Y., Apr. 10.—The young people who "hunger" for knowledge are taking advantage of this season of the year in furthering their education. They entered the Meeker Institute Monday morning of this week in the courses listed. We believe these young people are doing wisely in entering at this season...

Secretorial Course Estella Hamer, Lakemont, N. Louise Lynn, Szyre, Pa. John P. Howe, Corning, N. Y. Stenographic and Office Training...

This name will be familiar to a number of people in the city who once knew Mr. Jacobs as the Superintendent of Schools of Elmira, New York. He was a pleasant colleague at the Institute last Saturday. Mr. Jacobs, since leaving Elmira, has been with and is now the assistant of the Keystone Commercial School at Morristown, Pennsylvania. The fraternal school spirit among business men in Elmira is being revived by Mr. Jacobs. His experience as a teacher, as a Superintendent of a Commercial School, has given weight to the statement, "That a Business Institute like Meeker's is

An interest feature tomorrow in the

Sunday Telegram

A valuable asset to the city's justly successful business men and women must today be business men and women who are ready to compete with the world. School should not overlook these valuable courses. Investigate now. Come again Mr. Jacobs.

Specials Mr. Paul Pierce of Sayre, Pa., who recently completed the Meeker Administration Course at the Meeker Business Institute, has decided to return to the Commercial Institute to study Senior Accounting. This work covers Public Accounting and Auditing, and will give Mr. Pierce a Certificate of Graduation covering every subject taught in this Institute. He should be very well equipped to enter the business world and we believe that he will succeed.

Miss Eleanor Beebe of Elmira, N. Y., has discontinued her work at Meeker's. She plans to leave school for Albany, N. Y., where she will be employed by the State Retirement Course in which she was registered at the Institute, was very nearly completed. A satisfactory record having been produced. We wish Miss Beebe success at the State Capital.

Mr. Elwyn Spoor of Harrison Valley, Pa., who was a student at the Institute during 1921-1922, has returned to his home in a few weeks, he will be graduating from the Junior Accounting Course.

Positions Right calls for Office Help have been received at the Institute during the past week. Three former graduates have been placed, and they referred to positions. The demand for trained help seems to be constant. The Employment Department finds it almost impossible to fill all the positions.

Miss Blanche Watson of Lawrenceville, Pa., at student at the Meeker Institute in 1914-1917, was very recently contacted by a recruiting firm.

Mr. Clarence Redell, formerly of Elmira, Pa., has recently accepted a position with the Census Bureau of the United States Government. During the next few months he will travel through this section of New York State in the interests of this Department.

Miss Mary Hagan of Elmira, N. Y., recently accepted a position with one of the large firms in Elmira, N. Y.

The 20 Special Scholarships which were recently offered by the Meeker Institute, are being distributed, providing terms that permit payment of part of the school expenses after graduation, have been accepted by a group of friends of the young people of this community who are interested in furthering their education. They evidently realize that for an institution to train a person, placing him in a position, and wait until he is earning a salary for part of his compensation, is unusual.

Persons interested in this special offer are urged to apply at once. Write or call MEEKER'S BUSINESS INSTITUTE, 428, East Market St., ELMIRA, N. Y.

BOX CARBON BLAZE A large packing case used for the shipment of glass caught fire this afternoon on East Toga avenue near the plant of the Corning Building Company. The case burned briskly and threatened to reach the building, but a fire alarm was turned in from Box 25. The blaze was extinguished with a clean sweep.

HONESTY AT DINNER Miss Lucille Dowling entertained the following guests at dinner at her home on East Second street recently: Miss Frances Moran and guests, students at St. Elizabeth's College, Mrs. Evelyn Staples, Dorothy Dowling, Dorothy Maud and Miss Evelyn Staples of Buffalo.

PLAN VENEREAL CLINIC A venereal clinic will be held at the City Health Center, City Hall, Monday afternoon from 2 to 5 o'clock. Consultations are free.

MRS. CHOWNING IMPROVED Mrs. L. C. Chowning, who has been confined to the Robert Packard Hospital in Sayre, Pa., for some time, recuperating from an operation is much improved. She expects to return home next week.

Mrs. C. H. Davis, of Corning, R. D., underwent a minor operation at Corning Hospital today.

MRS. BAKER OPERATED Mrs. Clyde Baker, of 281-2 West First street, had a minor operation this morning at Corning Hospital.

UNDERGOES OPERATION Mrs. Fred Burrows, of Galeton, Pa., underwent a major operation at Corning Hospital this morning.

IN CRITICAL CONDITION Martha J. Sholly, of East Second street, who has been seriously ill for the past few weeks, remains in a critical condition at Corning Hospital according to reports from there late this afternoon.

Miss Catherine Lynch of West Third street has returned home after spending several days at the guest of relatives and friends in Buffalo.

TWO ARRESTED DURING RAIDS

Wet Goods Obtained from John Pedro and at the Colacaccio Home

Two raids were staged in Corning this afternoon by Special Agents aided by members of the Corning Police. The first raid was at the home of John Pedro at 25 West Market street where samples of wet goods were taken for analysis. A cleaver trap had been arranged in the place according to the officers and when they entered the place the trap was sprung and the crashing of glass was heard in the cellar. Later on investigation the officers found two boxes of galvanized pipe which had been broken by the men who were taking the contents. Pedro and another man were taken to the West Market street where samples of wet goods were taken for analysis. POST SENIORS RETURN HOME Have Most Enjoyable Trip to Washington and Philadelphia, Pa.

The members of the Painted Post High School Senior Class returned yesterday afternoon, tired but happy, from their Easter trip to Washington and Philadelphia. The 21 members of the class accompanied by their chaperones, E. F. Aldrich, assistant principal, and Miss Mary A. Underhill, returned via the Lehigh Railroad to Sayre, Pa., from where they came home by motor bus.

The class spent five days of their trip at the Capital and the remaining two days in Philadelphia, Pa. The Seniors state that the trip was perfect in every detail and that they had the "best times ever." Nevertheless, they were all tremendously pleased when the good old Indian Monogram appeared on their caps.

STURGES CARY IS PRESIDENT

Elected Head of Corning Tennis Club; Start Play When Courts are Dried

At the annual meeting of Corning Tennis Club, Inc., held yesterday in Recreation Hall, plans for the season were outlined and officers elected. The members decided to carry out the same type of aggressive tournament campaign as was successful last year and in order to properly finance the club's activities voted a slight increase in the membership dues.

The club is unique in that in spite of the rising cost of all materials and supplies required for the building and upkeep of the courts it has been able to finance itself during this time it has not only maintained the original courts at the head of Pine street but has built a junior court at the head of Cedar street and last year cooperated with the Corning Country Club in maintaining the Country Club courts.

This expansion together with increased tournament expense, although they can be financed with present dues, are so great a drain on the club treasury that in order to insure a safe and progressive independence for the future, it is necessary to annually increase the cost of membership.

The officers elected last night are: President, Sturges F. Cary; Vice-president, Dr. Gordon S. Fisher; Secretary and Treasurer, Walter Reed.

The committee appointed are: Tournament, Dr. Gordon S. Fisher; Dr. William C. Taylor, John J. Littleton and Amos Hough; Membership, Joseph D. Fitzmaurice, James Bailey, Dr. Jesse Littleton and Glen W. Cobb; Lobby, Jerome Chubb and George W. Frank; Junior, the Rev. George L. Kinkaid, Robert L. Allison, Dr. William C. Taylor and Sturges F. Cary; Women's Activities, Miss Mildred A. Kettle.

The courts will be made ready for play just as soon as they have tried.

All County Quintet Beats All High by Score of 25-16

ALL COUNTY UNABLE TO PENETRATE THE FIVE MAN DEFENSE

Both Teams Unlucky in Shots While the Foul Shooting Was Also Poor: Hook High Scorer

The All County basketball team proved too much for the All High team last evening in the St. Mary's gym, when they beat them 25-16, in a whirlwind game.

All High team did not work a good defense until the last half of the game when it was too late to do any good. The All County used the old standby, five man defense, which was hard to penetrate, but both teams were very lucky with their shots, and many times the ball would circle around the rim only to fall out.

The first quarter was taken by the All County 7-4. The All County saw both teams try their best to work up a strong offense as well as a defense. The second period saw the All County offense as well as defense at its height, and they put in five baskets and held the All High scoreless for the period. The half ended 17-4 All County in the lead.

In the third period, the All High team got going and they had eight points on the All County's three. Moore, Allen and Obourn substituted during the feature shot of the evening, when he sank a pair of baskets for the All County still in the lead.

The last quarter was the scene of some very fast playing. Both teams checked each other carefully until nine minutes had passed. Five by the All County, and four by the All High. Hook was the individual high scorer of the game. He put in five baskets and five points, eight of which were made in the last half from long shots.

"Fetts" Flannery was the second highest scorer for his team with two baskets or four points. "Doc" Broomhall put in the feature shot of the evening, when he sank a one from the center of the court. This was his only basket.

Pete Morrow, sturdy center of the mythical five, came out the high scorer for the All County. He put in three baskets, and one foul for seven points. Hangerford trailed him by one point, with three baskets. Tunney came one less than Hangerford with two baskets and one foul for five points. Terry came one less than he with two baskets and DeSiva one less than he with one basket and one foul for three points. Hangerford scored for the All County was right in order, 7-6-5-4-3. Morrow, Hangerford, Tunney, Terry and DeSiva making them respectively.

"Terrible" Terry, Horney's offering to the All County team, played the best all around game. He was unaccustomed to the five man defense, but played it like an old timer, once he got started. Morrow played a flashing game during his time of play. He could not do much on the tip off with the mighty DeWitt against him. He held him scoreless, and came out high scorer for the winners. Morrow, Allen and Obourn, who defended game throughout.

The initiative forwards Tunney and Hangerford were the stars throughout the contest. Tunney played the entire game while Hangerford played three fourths of it. Both these men were the high scorers for their teams for the past season. Terry in the game last evening was very clever and clear. Neither of them had a foul called on him during the game.

Moore, Allen and Obourn, who substituted during the third period played a fine game, but were unable to score.

Beck and Helly were the individual stars for the losers. They were still in the old form that they

had during the past seasons when they represented the Academy at the forward passes. Flannery, playing his same job at guard, showed the same old fighting spirit, that he has always had. He was very unlucky with his shots, something unusual for him on the Mary's court.

Broomhall, Gerber and DeWitt played a good brand of ball on the team, but were unable to do anything on the offense.

The game was very clean, only 15 personal fouls being called on both teams, eight of these on the All High and four on the All County. Beck was the only man disqualified on account of fouling.

How the Hawks Were Scored

Terry got in two baskets, but Hank was trying for a crumple and he missed two free throws given him. Tunney opened the scoring with a basket from the foul line, 2-0. All County ahead. Broomhall hacked Terry while he was shooting, and Terry missed both tries. Hangerford put the All County two more points ahead with a long shot, 4-0. Then Beck put in the first points for the losers with a long shot, 4-2. Morrow was next to score, 6-2. Hangerford, who had fouled Morrow, took a 7-2. Flannery, from the foul line, and the quarter ended 7-4, All County leading.

Gerber went in for Flannery at guard. DeSiva put in his first basket, 8-4. Beck missed a shot from the foul line, 9-4. Hangerford, All County ahead.

Beck hacked Morrow, who missed his free try. Terry on a pass from Morrow put in his first basket, 11-4. Beck hacked Morrow, who missed his free try. Terry on a pass from Morrow put in his first basket, 11-4. Beck hacked Morrow, who missed his free try. Terry on a pass from Morrow put in his first basket, 11-4.

Pirates Close Season in Basketball

The Hammondsport Pirates have completed their second year on the court with a record of 10 victories and five defeats. They have beaten some of the best teams in the county and have a fast team. In the picture reading from left to right the players are: forward; Wilson Brown, Frisk, guard; Frederick Eckel, center, Manager; Winton Bennett, forward; Leonard Green, guard; Harold Wood, forward, Captain; Leonard Green, guard. Charles Snow, Lawrence Green and Leonard Stever were unable to be present when the photo was taken.

HAMMONDSPORT FIVE COMPLETES A MOST SUCCESSFUL YEAR

Pirates Win 10 Out of 15 Games Piling Up Total of 427 Points to 330 for Opponents

"Speed" Craig of all-county fame played brilliantly for Hammondsport last evening at 12-15. In that most of the games in which he played were on small courts where he is at his best on a large court where his clever dribbling and footwork prove very valuable. "Speed" played his best game against Penn Van at Hammondsport where he was the stellar performer when the Pirates played on the clubber's court. Stever who only played in the early games for the Pirates, was a fast man and his place was not too easy to fill.

"Bill" Jones, Frey although never in practice helped the team out several times during the season when they were short of players. He had a large share in the Pirates' victory one-mile relay race in New York Central. "Mike" Bruce proved a service late in the season when he broke the existing record for the distance when they compete in the thirty-third annual University of Pennsylvania Relay Carnival on April 22 and 23.

In 1915 a Pennsylvania quarter composed of Ted Meredith, Joe Lockwood, Don Eppimont and Frank Kaufman, ran the mile in 8 minutes and 18 seconds for the relay record.

Since they defeated probably one of the fastest teams in the county, the All County team feels sure that they are able to play and probably defeat any "big-name" team that may desire to play.

SECONDS BOW TO ST. MARY'S

Preliminary to Big Game Results in Two to One Victory

The Corning Free Academy Seconds were beaten two to one by the St. Mary's team in the preliminary game to the All High-All County game last evening on St. Mary's court, by the score of 18-9.

The defeat was most unlooked for, as the Seconds defeated their opponents recently by the score of 20-11 on the same court. The game was very closely played during the first three periods, the first ending 5-2, the half ending 9-6 and the third period ending 11-9 in favor of the Saints. The last period was a time of weakening on the part of the Seconds and the Saints took the game, 18-9.

Gales was the best player and high scorer for the Seconds, he put in three baskets for a total of six points. O'Brien came next with four points, and Kestel with three points and two points.

NEWS FROM THE TRAINING CAMPS

(By The Associated Press)

Baseball fans of six major-league cities see their clubs in action on the home lots today.

Yankee stadium will be the battleground of the New York Americans and Brooklyn Robins today and tomorrow, and the re-modelled St. Louis plan is to be dedicated today with the first game of the home series between the Cardinals and Browns. The stadium now seats 24,021.

This is homecoming day for the Washington Senators, who will continue their series with the New York Giants. Boston's teams, the Red Sox and Braves, are playing the second contest of their city series while the two Philadelphia clubs are playing their final game. The Cleveland Indians play the first of two games with the Cincinnati Reds at Cincinnati.

The favorites went down to defeat in yesterday's ten national games. Dean and Carlson of the Phillies shut out the pennant aspirant Athletics and the Red Sox surprised fans by beating the Braves. Errors figured in the defeat of the Boston Nationals.

GEORGETOWN RUNNERS TO TRY FOR RECORD AT MEET

PHILADELPHIA, Apr. 10.—The brilliant running of the Georgetown University relay team gives rise to the belief that the Washington collegians stand a good chance to break the existing record for the distance when they compete in the thirty-third annual University of Pennsylvania Relay Carnival on April 22 and 23.

In 1915 a Pennsylvania quarter composed of Ted Meredith, Joe Lockwood, Don Eppimont and Frank Kaufman, ran the mile in 8 minutes and 18 seconds for the relay record.

Many people think if the bore and stroke of an engine are known you can find its power. And so you can. But that is only theory, not power. The power your engine delivers to the rear wheels is what counts. That is real power—the power you feel as you speed over the highway—the power that gets you over the highest hills on high—the power that gives you snappier get-away and carries you faster. This is the power the bigger-valved Overland motor gives to a point beyond any other car of corresponding dimensions...

The smartest-looking car in the light-car field. The roomiest enclosed body ever built for any car in its price-class. Today this handsome, roomy Overland Sedan sets the pace for power as it does for looks and comfort and value. It is the standard by which all light-cars must be measured.

SUPERS TEAM TAKES HONOR

Outrolls Car Shop Quintet in Deciding Game of the N. Y. C. Series

The Superintendent's Office team of the New York Central Railroad won the Bowling League Championship last evening when they defeated the Car Shop quintet by a margin of 193 pins on the Methodist alleys. The car men were the other contenders for the title and had they won the match last evening, the triple tie between these two teams and the Freight Office five would still exist. The game had evening closing the official season of the New York Central League. This is the first year that the Central may have had a bowling league and the premier attempt has been a great success.

In one game of the series a tie occurred, each team securing a total of 801 pins. This is something that is seldom seen in a bowling tournament. The other two games were taken easily by the Office team, however, by scores of 872 and 729 compared to the shop teams total of 750 and 722.

L. B. Terbrack had the highest individual game for the evening with a score of 247 ruled in the second contest. He was a high flier for the match with a total of 533 pins to his credit. Mr. Terbrack's aim was the 200 mark that could be secured in the 200 roll. Junquist of the Car Shop team had a game of 192 which took second place honors for the evening.

The scores:

Superintendent's Office	872
Terbrack	247

Deaths-Funerals

James H. Lynch
James H. Lynch, formerly of Corning and for many years Track Supervisor of the Erie Railroad at various points between Buffalo and New York, died at 7 o'clock Friday morning at Buffalo. Funeral services will be held in Buffalo Monday morning after which the remains will be brought to Corning, arriving on Erie Train 10:00, for interment in the St. Mary's Cemetery.

The deceased is survived by his wife, Elizabeth Maye Lynch, and three children, James and Maye of New York and Grace at home; two brothers, Bartholomew and Thomas and one sister, Mary, all of Elmira.

Cassius M. Smith
The death of Cassius M. Smith, appeared at the home of his daughter, Mrs. Fred Astell of Bradford, March 29, 1926.

The deceased was born in Bath May 21, 1842. His boyhood days were spent in the town of Bradford but the later years of his life were spent in Bradford.

He is survived by three daughters, Mrs. Ella Astell of Bradford, Mrs. Ida Ketcham of Hammondsport and Mrs. Cora Barr, of Painted Post, and three brothers, Charles of Colorado, Frank of Pennsylvania and George, N. Y.

The funeral was held from the Bradford Baptist Church April 2 at 2 o'clock. Mrs. Eva Highland officiating. Interment was made in Bradford Cemetery.

Deaths-Funerals

Mrs. Eva Griswold
Mrs. Eva Courtright Griswold, 56, died at her home, 176 Decatur street last night April 9, 1926 at 10 o'clock following an illness which extended over a period of several months. Mrs. Griswold underwent an operation at the Robert Parker Hospital in Sayre, Pa., in October 1924, and another

at Corning Hospital in 1925 in an effort to relieve the affliction but without lasting results.

Mrs. Griswold was born in Toledo, Pa., June 3, 1857. On Nov. 11, 1879 she married H. Hoyt L. Griswold in Hammondport where they lived until they came to Corning 27 years ago.

To the Grace Methodist Episcopal Church, of which she was a member, Mrs. Griswold has given many years of hard, unselfish work. Always interested in every phase of church work, her main efforts were directed along the lines of foreign missionary work.

Before her illness took her from active duties, she was president of the Women's Foreign Missionary Society of the church, an organization to which she had given years of service. Missionary appeals for help were always a part of a reply when directed to Mrs. Griswold. Home missionary work, especially charitable work in her own city and community also received support and aid from her and through her efforts those unfortunate circumstances were often brought some of the necessities of life or some pleasure. Until her illness forced her to resign, she also assisted in the Junior Department of the Sunday School.

Of her own possessions, Mrs. Griswold was always generous both to the unfortunate and to her friends. She was hospitable and always planning some excursion or some gift of flowers or delicacies to cheer others.

She was a loving mother and a faithful wife, a friendly neighbor and a faithful church member.

Mrs. Griswold is survived by her husband, Herbert L. Griswold, of 174 Decatur street, one son, Percy L., and two grandchildren, Dean and Robert, all of 447 Gordon street and one brother, John Courtright, of Dover Plains.

The funeral will be held at the house Monday afternoon at 1 o'clock and at the Grace Methodist Episcopal Church at 1:30 o'clock. The Rev. Daniel W. How-

land, D. D., will officiate. Interment will be in Hammondsport Valley Cemetery, Hammondport.

Samuel Cleary
The funeral of Samuel Cleary, who died Friday morning at his home at 30 West Erie avenue, will be held Monday morning at 2 o'clock at St. Mary's Church.

Mrs. Henry Kleckler
Mrs. Henry Kleckler died at her home in Bath following an illness of several months. She is a sister of Mrs. Sylvanus Bulkley, of Bath, formerly of Painted Post.

Mrs. Kleckler who was 42 years of age was born in Bath where she spent much of her life. She was before her marriage, Miss Emma Stinson, daughter of James and Rose Stinson.

After her marriage she resided in Hammondport until a few years ago when she returned to the vicinity of Bath where she resided on a farm three miles east of Bath.

Mrs. Kleckler was a member of the Bath Chapter, Order of Eastern Star. She is survived by her husband, Henry Kleckler; one daughter, Mildred; her mother and two brothers, Alex and John Stinson, of Bath and her sister, Mrs. Bulkley.

The funeral will be held Monday afternoon.

Unique Speed Cure of Constantinople Police

The young men of Constantinople have developed what they call over there, "heavy foot". Dr. Bey, prefect of police has devised a plan that puts the question of speeding up to the public.

The police have been supplied with planks thickly studded with heavy sharp nails. On the approach of a car that they believe is exceeding the speed limit they carefully toss the plank in front of the car with the business side up.

If the driver is unable to stop within the remaining distance he has the alternative of driving away with all tires at least flat and possibly ruined.

In this country it seems ridiculous, notwithstanding our multitude of speeders who are largely responsible for automobile accidents and the reason for liability insurance.

In offering insurance service, we endeavor to give personal attention both as to the preparation of the policy and as to immediate adjustment by our resident department after the mishap.

SCOUT BADGES ARE AWARDED

Court of Honor Has Regular Meeting to Recognize Meritorious Work

Twenty St. Lawrence County Scouts were the guests of the Scouters' Court of Honor, Corning, Merit Badges, and Scout Leaders of this city at the banquet held last evening in the Room 4 of the Grand Hotel of this city. The banquet was attended by more than 50 guests who were entertained with the Scout organization, Hammondport, Bath, Addison, Hornell, Danville and Corning were represented at the dinner.

A splendid program was presented by E. E. Holzinger as the speaker of the evening. Mr. Holzinger gave an excellent talk on the "Value of Merit Badges" and he inspired the Scouts and the Scout Leaders. Further work along the Merit Badge line, the speaker emphasized the fact that Merit Badges should lead to further study and work along lines of special ability rather than only for the purpose of passing the tests and securing the badge. He impressed it upon the gathering that Merit Badges work was solely a means of educating the Scout and that the work should not cease with the acquiring of the badge.

D. E. Gray, Scout Commissioner, stated the purpose of the Higher Court of Honor which grants the awards. This court meets three times a year, once in Hornell, Corning and once in Bath. Gorton and awards the three highest honors that can be bestowed upon a Scout. The award of the Eagle, Life and Star Merit Badges to those who have won them.

The success of the banquet was due in a large measure to W. H. Curtis, chairman. Mr. Curtis presented the Star Badges which are given to Scouts who have earned five Merit badges. Mr. Gray gave out the Life Badges to those Scouts who had earned ten. A Scout must secure 10 merit badges in order to secure a Life badge. Dr. W. E. Gorton, honorary president of the Council, pinned the Eagle Merit badge to the two Scouts who had acquired that great honor. The Scouts were Robert Hood, Corning, rank 2 and Charles Henderson, Hornell, Troop 15. The Pledge of Allegiance, which was led by Mr. Curtis, preceded the presentation of the badges. The meeting closed with the entire assembly repeating the Scout oath which was led by E. G. Anderson.

The badges were awarded as follows: Star—(any five merit badges) John Young, No. 7, Hornell; Miss Lucille Stearns, formerly of East First St., resigned her position as physical director of the Elmira Y. DAMAGE CASE IS CONTINUED

Adjournment Until Monday in Alienation Action Against E. M. Jenks

Seven witnesses were sworn yesterday afternoon in supreme court here in the action brought by Leo H. Abbey, of West Putney street, against Edwin M. Jenks, of Painted Post, to recover \$25,000 for the alleged alienation of his wife's affection. Court adjourned at 4:30 o'clock yesterday and it was indicated that the trial of the action would not be completed until some time Tuesday. Charles Meredith, Charles Champlin and Leo Pierce, all corroborated testimony given by Abbey as to the following: Mr. Jenks and Mrs. Abbey on a certain occasion in June, 1924, when Mr. Jenks drove his machine to the Belmont road in Riverside where he parked it in the driveway. Charles Stevens, of West William street, told of seeing Mr. Jenks and Mrs. Abbey together in the form of a car on various occasions. Frank Goddy, of Riverside, testified of seeing the two riding in Mr. Jenks' car and he said that

on one occasion he spied on the couple and saw them embracing and kissing each other. The last witness of the day was Howard Abbey, the 11 year old son of Mr. and Mrs. Abbey who has been living with the former and who told of going to Mr. Jenks' office in company with his mother and of seeing his mother and Mr. Jenks in the rooms of the two having their arms around each other neck. Cross examination of the boy will be taken on Monday morning by attorney H. A. Henshaw for the defense.

Deaths-Funerals

George W. Phillips
The funeral of George W. Phillips was held Friday afternoon at 2 o'clock at his home in Addison. Burial was made in the Addison Baptist cemetery.

The bearers were: William Dally, John Nichols, Harry Dunning, A. H. Ackelin, Enos Hadlock and George Riddleman. The funeral was one of the largest ever held in that section. Many beautiful flowers were presented by bereaved friends and relatives. Daniel McLaughlin, of East Putney street was a piece of the deceased.

REV. CLARKE BADLY HURT

Former Corning Man Injured in Fall; Also Suffers Apoplectic Stroke

The Rev. Stephen Clarke, of Zion City, Ill., formerly of this city and a brother-in-law of Irl Munford of Jennings street, is in a serious condition at his home as the result of a fall he sustained recently. Mr. Clarke sustained a paralytic stroke as the result of his fall in addition to other serious injuries.

He was trimming some fruit trees in the yard of his home when some way he fell. It is not known how or whether the stroke followed the accident or was the cause of his falling.

Mr. Clarke left Corning about 15 years ago but during his residence here was well known to various church congregations as he had supplied in many of the churches in that section. Just prior to his leaving this city he was the pastor at the First Presbyterian Church. Mr. Clarke was the father of Frank Clarke, one of the Corning boys who lost their lives in the World War and Mr. Clarke's name is inscribed on the

FORD HARRY JOINS ARMY

Corning Man Enlists in the Infantry; Only Experienced Men Wanted

Ford Harry, of 311 Denison Parkway, has been enlisted at the local recruiting station in the infantry of the U. S. Army.

Sgt. A. S. Gornick, now in charge of the local station, states that only ex-service men can now

be enlisted in the army, as all branches have been closed to everyone excepting men with experience in the Tank and Engineering Corps and the Infantry. There are many on the waiting list, he says.

Sgt. Gornick has much information on the "Citizens' Military Training Camp" and he will be glad to talk to anyone concerning the advantages of this camp.

MR. KETCHUM HONORED
Fred Ketchum was the honor guest at a party given at his home on God street last evening by a number of his friends and relatives. Cards and mementos were enjoyed. Why have OAKLAND Sales Doubled

All America has bestowed upon the Oakland Six the one sure mark of preference—ever-growing demand. State after state has favored the car so strongly that sales have doubled in the past six months. The reasons for this unprecedented favor will be readily apparent to anyone who tests Oakland Six abilities. The car has power for any hill you will encounter—more speed than you will care to use—acceleration that excites every—smoothness of performance unmatched in its field—better still, a rugged endurance that assures years of service. Moreover, Oakland's amazing prices—\$70 to \$350 lower—single out the Oakland Six as an unequalled investment.

All America Has Taken The Incomparable Chrysler To Its Heart

The Chrysler "70" sells itself every time it exhibits its dashing appearance on road or highway. The contrast between it and other cars is so marked that the desire to own one is bred then and there. But that desire is as nothing compared to the delight induced later on. For the Chrysler is just as far beyond comparison in performance, roadability, ease of handling and durability as it is in looks. They are almost extravagantly enthusiastic about the Chrysler because the Chrysler has shown them long-lived motoring delights beyond all comparison. We are eager to demonstrate the Chrysler's many advantages.
