Other News Notes of Interest at Meeker's Business Institute

ELMHIRA, N. Y., May 29, 1926.—Mr. Burnett Latham, Wellboro, Pa., who was recently graduated from the Junior Accounting Course, has accepted a position in the Meeker Employment Department, with one of the banks in Towanda.

Mr. George Hayes of Montour Falls, N. Y., writes that he has accepted the position to which he was referred in Wellboro, and is going to make good.

Our best wishes go with those young men who are going to college. They will carry into their work the effort that they have put into their studies. Their records show that they are sure to make good.

PAUL MYLES We are glad to learn recently that Mr. Paul Myler, a student from Corning, N. Y., is now holding a very responsible position in his home town. It is pleasing to hear of the success of our former students and friends and we hope that they will not fall out in touch with the Institute.

RUPERT WELLES Mr. Welles, who has been a student at the Institute for the past few months, has left his desk to accept a position in Corning. Our best wishes go with him.

WILLIAM FAYE FAYE Mrs. Miss Catherine White, instructor in Speed Shorthand and Office Training at the Meeker Institute, was invited to dictate material for tests held in the Meeker schools in Towanda, on Monday afternoon of this week.

TEACHERS AND COMMERCIAL HIGH SCHOOL STUDENTS At this session of the year, a number of public school teachers and graduates of Commercial High Schools enter the Meeker Institute to take up Business Training during the summer. The courses are so arranged that teachers will be allowed to eliminate unnecessary subjects and Commercial High School students will receive credit for their commercial work. This will permit other teachers of Commercial High Schools to complete a course and receive the Meeker Certificate in the least possible time, and at a minimum cost.

SUMMER SCHEDULE During the months of June, July and August, the Meeker session hours will be 8:00 to 12:00, Monday to 1:00 to 2:30, daily. This is in accordance with the advertised plan and will be effective Tuesday, June 1.

May 21 is being recognized by the Institute as a holiday, during which the Institute will be closed until Tuesday, June 1, when it will reopen for old and new students.

DAD SAYS— "No man becomes great by accident—except accidentally."—And Dad Knows!

It is the ambition of every young person who will finish school this year to become great. Undoubtedly many of them will, some perhaps accidentally. But the persons who enjoy real success will be those who carefully plan the next few years of their lives by choosing a course which is most enjoyable and which is most productive to them, both in happiness and remuneration.

A Business Training is essential regardless of the field a person enters, and its rewards are unlimited. Information in connection with this training will be furnished free at training.

## Rattlesnake Serum Rushed To Ithaca to Save Life of Man Bitten by Rattlesnake

ITHACA, May 29.—(AP)—Serum was hurriedly dispatched to Ithaca to save the life of a man bitten by a rattlesnake here.

While Spear lay in agony in the hospital, his condition highly critical, several friends risked their lives by making a speedy automobile dash to Syracuse and return. They were there to meet an early morning train and a vial of serum which had been sent by Dr. Raymond Dimock, curator of the Ithaca Park Zoological Garden, New York.

The serum embarsies in four cases returned here at 7:30 a. m. and the serum was immediately injected into Spear's arm.

He has a fair chance for recovery. Spear was bitten in the right hand by a diamond-back rattlesnake while he was inspecting a collection in a field near his home late yesterday afternoon.

## Award Man \$12,000 as Result of Contracting Anthrax from Shaving

BUFFALO, May 29.—(AP)—Robert A. Smith, of Toronto was awarded a verdict of \$12,000 by a jury in supreme court against the Gilbe Company and the Coughlin Truck Company of New York because he contracted anthrax from a shaving brush he purchased from the drug company.

The Gilbe company obtained the brush from the Coughlin concern, which purchased it from an organization now out of business.

The plaintiff produced evidence to show that the Gilbe Company had sold to Coughlin a shaving brush which had been used by a patient of the Buffalo hospital who had died of anthrax.

## THREE BARNS DESTROYED BY BLAZE AT VICTOR

VICTOR, May 29.—Fire, destroyed three barns on the farm of Judd Hawkins, two miles north of here yesterday, with loss estimated at \$20,000.

Two valuable automobiles and valuable farm machinery were saved from the burning buildings.

Responding to a telephone alarm, the Victor fire company with volunteers arrived to find the three barns in flames.

Attempts to save a third, and smaller barn, were fruitless, and the fire was kept from spreading to the main barn.

The Torque Tube is a sturdy backbone for BUICK quality

It holds the rear axle firmly and staunchly in true alignment, regardless of road inequalities.

Twist and wear on the drive shaft and axle are eradicated. Two universal joints are unnecessary.

It would be possible, because Buick has the Torque Tube Drive, to drive a Buick from New York to San Francisco with all four springs broken.

The Torque Tube also seals the drive shaft from the dirt and wear of the road. Look at the strength of the Buick chassis and make a comparison with competitive motor cars, before you buy your next transportation. You can see Buick's superiority with the naked eye.

## FIRE WARNINGS SENT BY STATE

ALBANY, May 29.—(AP)—The fire department has been asked to advise the fire insurance companies of the location of the Memorial Day holiday to motor through wooded sections of the state.

In a warning issued yesterday the Conservation Commission pointed out that "this large number of tourists will tend to increase the danger of forest fires unless one who goes into the woods is careful in the use of fire, matches and tobacco, particularly cigarettes."

Growth of vegetation has been retarded by a late, cold spring and the woods are "extremely inflammable."

## SEEK MAN WANTED FOR QUESTIONING IN SLAYING

PERKY, May 29.—(AP)—Police in Niagara Falls, Rochester and Jamestown have been notified to be on the lookout for Tony Clero, who is wanted for questioning in connection with the murder of a fruit business in Groveland. Clero has relatives in those cities and it is believed he may have taken refuge with them.

Justice of the Peace George M. C. Parker and District Attorney Clarence Cream of Wyoming county today continued questioning relatives and friends of both Clero and Clero here and in Groveland.

## President May Be AT MONUMENT DEDICATION

PLATTSBURGH, May 29.—(AP)—Plans for making an inauguration day this year, commemorating the 224th anniversary of the dedication of the Macdonough monument in this city, commemorating Commodore Thomas Macdonough's victory on Lake Champlain in the Battle of Plattsburgh, September 11, 1814, are being formulated by the commission in charge of the program.

John P. O'Brien, chairman of the commission and Charles R. Harrington, secretary, who recently went to Washington to report on the matter to the President, said the principal address at the dedication, have every hope that the President will be present, especially if he is to spend his vacation at Oseod Lake, near Paul Smiths.

## SEEK TO MERGE WAYLAND ELECTRIC COMPANIES

ALBANY, May 29.—Application was made to the Public Service Commission today for consent to the purchase by the Wayland-Stauben Power Company, Inc., and the merger of the two companies owned by the same interests.

The Wayland-Stauben company has been generating and purchasing electric energy from the sale to the other company. It is considered desirable to have the companies combined into one corporation, creating one ownership and one operating unit.

## SEARCHING FOR ALMOND YOUTH

HORNELL, May 29.—State troopers have been asked to aid in the search that is being made for Ives Ashbaugh, a young boy who disappeared last Monday from his home in Almond, a village west of here.

It was thought that he came to Hornell to join a circus that was showing here Tuesday but no trace of him could be found. His parents, Mr. and Mrs. David Ashbaugh, assisted by the police, trailed the circus to Corning and Elmira but without success.

Local police were also asked to aid in the search for James Brennan, 16, of Orleans, and Raymond Steenworth, 15, of Wellsville, both of whom are missing from their homes and who are believed to have come to Hornell to join the circus.

PRAYER—"May we ever walk, O Lord, so that others shall be ready to come to Thee through us."

Memorial Day

Once more the day is approaching when we are accustomed to turn aside from our usual cares and vocations to honor the memory of those who sacrificed through four years of war in order that the nation might live.

Many of these sacrifices have been on the field of battle, and the nation will never forget them—yet will never forget them in spite of the fact that there are many people now in the land, some well meaning, but the majority of them, who deny sacrifice as a time-worn doctrine, preaching pacifism and national submission as the latest thing in humane doctrine.

Some of these anti-patriots would have the nation immediately lay aside its arms and demobilize its defenses—trusting to the naive helplessness in time of national danger. To them the suffering at Valley Forge and the hardships of Gettysburg, of San Juan and of St. Mihiel is but a mirage, and all war is a deadly error marred the pages of history.

It is not difficult to picture what America would be today had Washington and Adams and Patrick Henry developed into manhood as disciples of the doctrine of passive submission. Or, escaping this, it is not hard to see what would have become of the nation in the dark days of the sixties, had Abraham Lincoln been a pink pacifist and such sturdy warriors as Grant and "Pap" Thomas and the thousands behind them, followers of the doctrine that the way to make your enemy yield is to let him down softly in front of him.

But so long as the laurels of the heroes of yesterday remain green in our memory, internationalism and pacifism will have no real danger to the United States. That is why Memorial Day should be so important an event in our calendar.

The Order Changeth

The Civil War was fought to defeat sectionalism, to settle for all time that the Union, above all, is supreme. The aftermath was not pleasant and there were many bitter memories. War, no matter how fairly and bravely fought, always has its bitter memories.

Sixty years have passed since the great struggle ended and the sectionalism is passing, too. Two later struggles in which the boys of the North and South fought manly side by side helped to wipe out the old feeling. The South has fully recovered and is now making strides in the path of progress and prosperity that may well astonish the world.

Good roads and myriads of automobiles are contributing their share. The northerner goes south on fundamental principles, will bring us a better and even greater, Democrat and Republican. In the winter and the southerner tours north in the summer. Each is finding the other a pretty good fellow American.

Sideburns—Not for the Girls

Burnside's sideburns—what a euphonious alliteration!—furnish the motif in a court drama, where, in a niche of the Civil War hero goes a soap and powder concern for ridding her uncle's whiskers. In his day the general is no wise varied from the commonplace. Dandies and fashions to behold were the styles which were as prevalent as bobbed hair is today.

The chap who hadn't some form of hirsute adornment, indeed, was out of the running. With the genus sheik, as we now commonly employ the term—is a Harold New York. The sideburn has come back; but not in the flowing luxuriance of the Burnside auburn. Bobbed-headed young women, too, affect the satiny little patch of hair before the ear.

Immigrants

The government is extending its sensible policy of examining prospective immigrants in their home countries. Originally this was applied only to England and to the Irish Free State. The policy worked so well there, the State Department announced, that it is now to be applied in Germany, Norway and Denmark.

Beginning to Simmer

The old political pot is at it again. The Republican State Convention has been arranged for Madison Square Garden in New York. The names of this, that and the other G. O. P. stalwart are being mentioned among the starters in the race for the gubernatorial nomination.

And, as usual, there is talk of a coalition horse. This is likely to be Charles D. Hillis of New York, Republican nominee. Hillis is openly asserting that he stands as good a chance—if not a better one—as any other Republican to win the nomination at the next convention.

No Come-Back for Boy-Ed

The American consul-general in Berlin, acting upon advice from Washington, declines to issue a passport for Captain Boy-Ed, military attaché at the German embassy in Washington during the war. The reason given, that the period since he was here in an official capacity is too short to make him welcome, is, at once frank, honest and yet reticent.

FORMER STEUBEN MAN SELLS VALUABLE LIBRARY

Of interest to older residents of Corning, Campbell and vicinity, is the announcement in the New York Times of Thursday, May 27, that the Ellabush and early Clark Library of John L. Clawson, of Buffalo, formerly of Campbell, was recently sold for \$42,687.50.

Mr. Clawson, who was the son of Jacob Clawson, of Campbell, lived in that village until he was about 21 years of age. Since leaving this section of the state, Mr. Clawson apparently succeeded in no mean way to be able to produce so valuable a collection of books.

Deaths-Funerals

Antonio Carapella, of Corning, died at 1:10 o'clock last night, May 28, 1926 in the home of his son, Phillip Carapella, 120 West 55th street. Death was due to complications following influenza and short illness. He was born in Italy and after a number of years resided in this country. He had made his home in Corning for the past 23 years.

The funeral will be held Tuesday morning in St. Peter's Church at 9 o'clock. Burial will be made in St. Mary's cemetery.

MRS. KELLY ENTERTAINS FOR MISS HENDRICKSON

Miss Edna Hendrickson, whose marriage to Frank Roehm will take place in the near future, was the complimented guest at an attractive rainbow shower given by Mrs. Arthur W. Keelley, of Painted Post, Friday evening.

The house was attractively decorated for the occasion. The feature of the decoration being a large rainbow paper banner at the end of which was a pot of gold in which were placed the favors.

MISS RUPPERT HONORED AT DELIGHTFUL PARTY

Miss Genevieve Henkey entertained Tuesday evening at her home on West Fourth street, honoring Miss Sarah Ruppert, whose marriage to Merton Switzer will take place in June. Cards were enjoyed throughout the evening. Prizes being awarded to Evalina Kelley and Margaret Conway. A delicious luncheon was served.

Those present were: Mrs. Howard and Mrs. Leland B. Bryan, Mrs. William Evans, Mrs. Loren Reynolds, Misses Catherine Heiland, Mary Murphy, Margaret Conway, Isabelle O'Riyan, Dedeas Cushing, Julia Junk, Evalina Kelley, Marie McCabe, Anna Kelley, Edna Gorman and the guest of honor, Sarah Ruppert and the hostess, Genevieve Henkey.

Corning's Beauty Spot Promises to be More Popular This Season Than Ever

Deerson Park, the beauty spot of Corning, will be in full swing tomorrow. Hold on boys! Don't start your bathing suits. The pool is not to be opened until such time as the officials decide that the water is clean enough for open air bathing.

The playground will be opened and the camp trailer outfit will remain the same. Most of the interlopers campers have been, strangely enough, people who have spent the winter in Florida and are traveling home for the summer. Either Florida weather is not such as it is painted or else they did not mind the contrast from the balmy Florida zephyrs to the frosty nights the month of May has brought. Or, more likely, a "free-out" in a Florida real estate deal has left them injured to all kinds of frosty weather.

THE G-B-O-Y

Scores a Genuine Triumph

The enthusiastic welcome given the G-B-O-Y, Graham Brothers new one-ton truck, has established this fact. It is recognized at once as a real-a-major-contribution to commercial haulage.

So great was the need for a light truck to transport the average load swiftly, safely, yet at lower cost than ever before—that Graham Brothers newest product has scored an immediate triumph.

The compact wheel base, ease of handling, generous body capacity, the advantages of the ever-dependable and always economical Dodge Brothers engine—all these important factors enter into the G-B-O-Y's marked success. And then the price! So low that only Graham Brothers, the largest exclusive truck makers, with huge buying and building capacity, could possibly achieve it.

For the average load there is nothing like the G-B-O-Y. We are eager to show you this latest contribution to commercial haulage.

### NINETEEN CREWS ENTERED FOR POUCHKEEPIE RACES

NEW YORK, May 29.—(AP)—Waters of the Hudson river at Pouchkeepie are due for an unprecedented churning June 25 when at least 19 boat loads of rowing collegians will participate in the annual regatta of the Intercollegiate Association.

The record already is broken and Wisconsin is expected to add its freshman crew to the starters. For the first time in history eight varsity boats will make the long journey, three of them from the Pacific Coast, Washington and Wisconsin.

### LANES ALLOTTED FOR THE INTERCOLLEGIATE RACE

NEW YORK, May 29.—(AP)—Syracuse University's varsity eight rowing team, making its debut this season, has been unlucky in the draw for lanes in the Intercollegiate Regatta at Pouchkeepie next month.

Syracuse has drawn number 8 far out in the Hudson, where it will be called upon to fight choppy water if there is the slightest wind. Inshore will be the crew from the University of Wisconsin, which finished second to the Navy last year. The allotment of lanes starting from the west shore is as follows:

- 1. Washington; 2. Columbia; 3. Pennsylvania; 4. Wisconsin; 5. Navy; 6. California; 7. Cornell; 8. Syracuse.

Last year Wisconsin had the outside lane, nearest the center of the river. This time the third to Navy and Washington.

The government of New South Wales threatens to seize all city bus lines.

### COLONELS TO CLOSE SERIES

Will Conclude Road Trip Today When They Play Harburg Senators

ELMHURST, May 29.—The present road trip of the Colonels will close this afternoon and on Sunday they will return to Elmira to clash with Harburg's Senators. The team is regarded by critics at the present time as one of the most dangerous potential contenders in the league and a record crowd should be on hand to greet the players when they ran up against the Kobbick aggregation. Local support by the home fans is a big incentive to any team and the Colonels by their achievements during the past several weeks have earned the whole-hearted cooperation of every Elmira fan.

First Waters probably will be Manager Dunn's selection to pitch against the Kobbick aggregation in the contest Sunday and he is likely to be opposed by Granbach, the Triple-A pitcher who turned back the Colonels in the opening contest of the season here. Granbach has been going great since the opening of the season and the Colonels need a great battle for premier honors.

### ST. BONAVENTURE'S TO HONOR TWO NATIVE SONS

ST. BONAVENTURE, May 29.—St. Bonaventure's College will honor two native sons at the thirty-sixth annual commencement exercises which will be held here June 5th.

William E. Dever, mayor of Chicago, Ill., and Patrick J. Crowley, president of the New York Central railroad will receive their honorary degrees from the College. Both these men were born in the immediate vicinity of the College, have lived and labored in this section for many years, and have risen to positions of prominence through their own initiative and perseverance.

It is expected that a large group of Bonaventure's alumni of Chicago and vicinity will accompany Mayor Dever here for the exercises.

## To the Man who gets a "Kick" out of driving a powerful car

BE PREPARED for a big surprise when you take your first ride in an Overland Six. A brand new kind of motoring experience awaits you. It's bound to change your whole idea of motor car performance.

Unlike other cars in this price class the Overland Six is modernly engineered as an integral unit.

It is not just a modern body on a chassis that's 5 or 10 years old. But a new and revolutionary type of car, modernly engineered and designed to give a new kind of performance, comfort and driving ease.

The motor is a new type power plant—hung low in the chassis to give a straight line drive—with more usable power delivered to the rear axle than you find in any other Six of its price or class.

The center of gravity is lower—keeping the weight of the car down close to the ground—you get an entirely new feeling of security when you drive this car.

It is designed for a road speed of between 45 to 50 miles an hour—and engineered to meet the demands of such speed without wear or strain on the engine. The old fashioned car reaches its safety peak at 35—and wears itself out in a hurry under modern traffic regulations on the highways.

The Overland Six will turn in a forty foot circle. Rear springs are underdaring and 52 inches long. 141 square inches of braking surface

provide an ample safety margin. It has more inside space. More cubic feet than the average car of this price. The result is ample comfort for 5 full-size passengers... with plenty of room to step in or out... room to stretch your legs with the utmost ease. The seats are wider, the windows larger, the doors much broader. All features you'll certainly appreciate when you inspect rival cars of this price. Get the utmost for your money. Ride in this car... test it in comparison to the value others offer. In fairness to your self buy no car until you do.

## MEMORIAL DAY PLANS FOR CITY

Parade Forms at 2:15 o'clock Sunday Afternoon; Will Move at 3 o'clock

City officials, nearly all city organizations, fire and police departments will join with the school children in observing the city in a sitting observation of the Nation's Honored Dead on Sunday, May 29, Memorial Day. A splendid program honoring those men who gave their lives for their country in the performance of their duty and rendering appropriate tribute to the living members of the G. A. R. and the veterans of other wars, has been prepared to be given in this city on the solemn occasion.

**Eaton Post in Charge.**  
John P. Eaton Post of American Legion is in charge of the services at G. Lauriston. It has been designated as central chairman of the arrangements and grand marshal of the parade. It will be assisted by Captain H. E. Auriant, grand marshal of the local unit of the National Guard. Gordon M. Ridenour, vice principal of Corning Free school will be the main speaker of the day, his address being given at Hope cemetery where impressive and solemn services will take place at the graves of patriots. A singing squad will be present in the salute in honor of the brave boys.

The parade and observation ceremonies will together constitute one of the most elaborate and stirring services ever held in Corning. The remaining members of the G. A. R. veterans of the Civil War, Spanish War Veterans, Corning Chapter of National Guardsmen, school children of all the schools of the city, all fraternal and civic organizations have been requested to cooperate in the parade and delegations from each will march in line.

The parade will be divided into three divisions which will form promptly at 2:15 o'clock at the Pine street square following which at 2:30 the ceremonies will take place.

The Rev. George B. Kinkaid, pastor of Christ Episcopal Church will open the services with a brief prayer following which the address will be given by David McMillen, then the singing, the placing of flowers at the memorial to the Boys of the World War, on the clock tower.

The singing squad will salute with volley tapes and the National Anthem will be played at the Liberty Band, which is cooperating. The parade will be under direction of Hope cemetery. Arriving there the ceremony of decorating the graves, in charge of the Women's Relief Corp will take place, followed by the firing of another salute. The Rev. G. B. Kinkaid will then lead a brief prayer over the graves.

Proceeding the main address of the day by order of Mayor, Gen. Leonard Reed will be in attendance. America will be represented by the Liberty Band, the services will close with the benediction by Rev. Kinkaid.

Three parades will take place as follows:

**Points of Assembly.**  
The first division will consist of a platoon of the city police, the City Band, the Liberty Band, John Semple will be the marshal of this division. In addition to the parade, the formal dedication of this division, delegation from Mooseheart Legion, Liberty Band, Eaton Post, American Legion, 104th Hospital Company, N. Y. G. A. R., W. H. ## 150,000 DIED FOR COUNTRY

United States Has Fought Six Wars During Its History; Casualties Heavy

WASHINGTON, May 29.—The United States has fought six wars in the 150 years of its independence. The number of men killed in these wars, victims of the American revolution, carries a total of 142,812. Included in this total are losses in the Indian campaigns and minor irruptions in the Philippines, etc.

That figure may look very big, but it represents the wars, smaller than the loss suffered in the World War alone by any one of the important belligerents which took active part in hostilities on any European front.

Statistics come from the office of the adjutant general in the war department here, where careful tab is kept on every class of armed forces the world over.

## Memorial Day Proclamation Issued By Mayor H. A. Reed

Eaton Post, the American Legion the ceremonies attending the observance of Memorial Day, and Whereas, the John P. Eaton Post, the American Legion has decided to hold the Memorial Day exercises on Sunday, May 30th, 1926, commencing at 2:30 P. M., at Pine Street Square, and Whereas, an invitation has been extended to all citizens and organizations of the City of Corning to take part in the Memorial Day exercises.

I, Harry A. Reed, Mayor of the City of Corning, do hereby urge and request all City Officials and Organizations, to attend and cooperate in their fullest extent in carrying out the program of John P. Eaton Post, American Legion.

## In Flanders Fields

In Flanders fields the poppies grew Between the crosses raw on row, That mark our place; and in the sky The larks still bravely singing, Flare Scarce heard amid the guns below.

We are the Dead. Short days ago We lived, felt dawn, saw sunset glow, Loved and were loved, and now we lie In Flanders fields.

Take up our quarrel with the foe, To you from falling walls we throw The torch, be yours to hold it high; If you look fairly at it, you will see We shall not sleep, though poppies grow In Flanders fields.

## CORNING TEACHERS INJURED WHEN AUTO COLLIDES WITH TRAIN

Cornelia and Sue Crafts in Hospital Due to Accident at Sodus When Blinded by Sun

Miss Cornelia Crafts, 56, teacher of mathematics at Corning Free Academy is in a critical condition at the Myers Hospital in Sodus, and her sister, Miss Sue Crafts, 48, prescribes of the Northside Grammar School, is suffering from various cuts and lacerations as the result of an automobile accident which occurred near Sodus, about 8:30 o'clock last night. According to reports received here today the two women drove into a Pennsylvania Railroad freight train at Wallington when they were momentarily blinded by the sun as they crossed the tracks.

Miss Cornelia Crafts is the most seriously injured and reports from the hospital today stated that her condition was considered as critical with a possible fracture of the skull. She is also suffering from many cuts and lacerations in an effort to determine the extent of her injuries. Miss Sue Crafts is also in the hospital but she escaped with minor bruises. It is said that Miss Sue Crafts was the driver at the time of the accident. En route to Wallington, the women drove to Sodus to spend the holidays. The two teachers left Corning early yesterday afternoon. Reports of the accident state that the two women were suddenly blinded by the sun as they approached the railroad crossing at Wallington about three miles east of Sodus. Their car plunged into the freight train, making up only of an engine, coal car and caboose. The motor of the machine was

## GIBSON CHILD BADLY INJURED

Lyle Merrick in Grave Condition; Struck by Car Driven by James Shaffer

Slight hope is entertained for the recovery of Lyle Merrick, five year old son of Mrs. Jona Merrick, of Gibson, who was struck and knocked to the ground by the automobile driven by James Shaffer, of Corning, R. D. 2, at Gibson last evening. The little lad was rendered unconscious when struck by Shaffer's car and at 2 o'clock this afternoon had not regained consciousness. Information gained at police headquarters this morning indicates that a complete investigation into the circumstances surrounding the accident will be made with a view to learning who was at fault.

According to the report made by Shaffer at headquarters following the accident, he was driving in a westerly direction through Gibson last night about 8:30 o'clock when he struck the lad. The report states that the lad was either pushed or walked straight into the side of the car, which was making a speed of 25 miles an hour, according to the report. He also gave some car-lier information to the police, in which he stated that he did not see the lad or know how he got into the road until after the accident.

The report states that the rear right fender was damaged when the accident occurred. Norman Littleton of 208 Wall street, who was passing at the time, picked up the injured boy and brought him to the hospital.

Dr. Henry E. Elwood was called to attend and a preliminary examination developed that the child was suffering from a severe concussion of the brain with possibly other injuries. Whether a fracture was present or not Dr. Elwood could not authoritatively state until more complete examination could be made and in the lad's critical condition this could not take place.

According to Dr. Elwood X-rays will be taken this afternoon in an attempt to ascertain all injuries and definitely learn the chances of recovery. In addition to the serious injuries he sustained some cuts and bruises.

Among those from out of town who attended the funeral of Mrs. Catherine O'Connell were: Mrs. Johanna Costello and daughter, Blinora of Rochester, Mrs. J. C. Williams and daughter Lucille of Buffalo, Mr. and Mrs. T. W. O'Connell and son Arthur, daughters Margaret and Kathleen of Toledo, Ohio, Mrs. Thomas Rice, Mrs. Donnell, Mrs. Vera Corbett and Michael McCarthy of Elmira.

## TOO MUCH SPEED

Kills 157--Injures 4,000 During April in New York

"If the driver had been proceeding at a cautious rate, practically all the accidents could have been avoided," says the report of the state Bureau of Motor Vehicles. Of those killed, 113 were pedestrians, 10 deaths were caused at grade crossings and four resulted from collisions.

The report declared that if traffic signals are to be effective, the pedestrian must cooperate as well as the motorist. Most violations can be described by one word, "speed," the bureau states.

Accidents every day emphasize this. In our immediate locality, of all the accidents reported scarcely one fails to show speed as a contributory cause.

In any event the motorist is helpless against the careless or foolhardy pedestrian, but he can drive more slowly and before he does any driving whatever he can arrange for liability insurance.

The expert and experienced insurance organization offers more than ordinary insurance service, and what is unusual for a city of Corning's size, a resident adjustment department.
